Welcome to Wymondham College Sixth Form

This guide is designed to provide new and existing students and their parent(s)/carer(s) with important information about the Sixth Form.

Start of Term

The Autumn Term starts on Monday, 8 September.

Boarding Students

Boarding students should arrive at the College from 16:30 on Sunday, 7 September.

All students will be met by Boarding House staff and given time to complete and hand in all necessary paperwork. Dinner will be served from approximately 18:15. During the first evening in boarding there will be opportunities to meet House staff and fellow Year 12 and Year 13 students. A selection of activities will be arranged, details of which will be given in the initial meeting with the Head of House.

Day Students

Year 12 and Year 13 Day students should arrive at the College from 08:00 on Thursday, 5 September, in formal Sixth Form dress as detailed in this Guide and go straight to the Lincoln Atrium.

Day Boarding students

Day Boarding students may arrive for breakfast each day from 07:00 and remain in Lincoln until 21:00.

For all Students

At 08:30, Year 13 should go to their tutor rooms, while Year 12 will remain in Lincoln for an assembly.

At 09:00, Tutors will escort their Year 13 students to assembly and collect their Year 12 students to go to Tutor rooms.

Normal lessons will commence from period 3.

Tutor time and assemblies will be held between 08:30 and 11:05 where timetables will be issued, other relevant paperwork distributed, and introductions made.

Break time is from 11:05 until 11:25, after which students will then attend their period 3 lesson.

Lunch will be held from 12:50 for Year 12 students in the Lincoln Refectory and from 12:25 for Year 13 students.

Afternoon lessons resume at 13:40. Lessons end at 15:45 each day.

Please note, as a condition of full enrolment, and to secure their Sixth Form place, students new to Wymondham College must bring a photocopy of their GCSE results with them on the first day of term, and hand them in at the College Office, if not previously sent via e-mail.

MyChildAtSchool and Wisepay

The College MyChildAtSchool system will provide you with the most up-to-date information about activities at the College, important documents, student activities and progress. This system is the primary method that the College uses to communicate with parents. Access to the system is web based and requires a unique and secure username and password combination to view student information. Please use this link to a helpful video guide: <https://vimeo.com/993343533?share=copy>
In addition, students will be registered with the College's online payment system, Wisepay. This system will allow you to pay for such things as trips and learning resources. Details on to how to access both these systems will be provided prior to the student starting at the College.

Emergency Contact

Members of the Senior Leadership Team are on call during out-of-hours. In case of emergency, they can be reached on 01953 609080. Your child's Head of House should be the first port of call for any non-emergency issues.

College Routine

Registration

Registration takes place each morning at 08:30. Students must attend promptly or will be marked "Late" or "Absent" by their Tutor. If arriving late, students should report to the Lincoln Desk to sign in.

Sixth Form Day Timetable

08:30	Registration
08:40-08:55	Assembly/Tutorial
09:00-10:00	Period 1
10:05-11:05	Period 2
11:05-11:20	Break
11:25-12:25	Period 3
12:25-13:40	Lunch
13:40-14:40	Period 4
14:45-15:45	Period 5

Equipment and stationery

Students must bring an A4 ring binder and dividers for each course subject, paper, pens, scientific/graphic calculator (if necessary for their subjects), plus an A4 ring binder for Floreat sessions. It is the student's responsibility to look after their equipment. Lockers will be available for Day students, who must bring their own padlock. Textbooks will usually be provided except for set texts for the English Literature course and some other subjects. There is a small charge for some subject materials (such as sketch books in Art).

Student Emails

All Sixth Form students have their own College email address and must check their emails daily. They may download the Outlook app on their phones to make this easier.

Chapel and Assemblies

All students must attend Chapel and Assemblies when required to do so, unless their parent(s)/carer(s) have informed the Principal, in writing, that they wish to exercise their right to withdraw their child from acts of collective worship.

Sunday Chapel services will be held each Sunday for Year 12 Boarders at 10:00.

Exeat Weekends

The College closes once each half term for Exeat weekend. Overseas Boarders may book to remain

in the College and participate in an activities programme organised by the Exeat house. Please see the Overseas Students (Extra Information) section for more details on how to book this.

Student Absence

It is the responsibility of parent(s)/carer(s) to ensure that the student attends the College regularly and promptly and that absence from the College is kept to an absolute minimum. Any absence inevitably affects not only the education of the absent student but also that of other students in the class who may miss opportunities for co-operative work or may be disadvantaged by the time taken by a teacher to bring a returning student up to date with work missed.

Where Day students are unable to attend school, parent(s)/carer(s) must inform the College of a student's absence as soon as possible and normally on the first day of the absence by emailing attendance6@wymcol.org or phoning the College on 01953 609000 and choosing Attendance Sixth Form from the menu.

If absence is due to illness, parent(s)/carer(s) are required to inform the nature of the illness and, if able to do so, the predicted date of return.

Where Boarders are unable to return to their House due to illness, after a holiday, EXEAT or weekend leave, parent(s)/carer(s) should inform the Boarding House office prior to signing in time.

Requests for Leave of Absence (LOAs) should be submitted to the College Office using the [Leave of Absence Form](#). This can also be found under 'Useful Links' on the College website. LOAs are sent to the Attendance Team. Students leaving school during the school day **must sign out** at the Lincoln Reception.

LOAs should be submitted seven days before the start of the proposed absence. Wymondham College discourages all but the most essential absence in term time and, in particular, assumes that parent(s)/carer(s) will take advantage of the longer College holidays to plan family holidays and not request Leave of Absence in term time for this purpose.

Student Voice/Student Council

Student involvement is central to the success of Wymondham College. The College encourages all students to voice their opinions and have reasonable influence on the politics and procedures of the College. Staff and students work together to make the quality of teaching and learning the best that it can be. Students feel a sense of ownership and responsibility for their education, realising the impact their actions can

have on their learning or the learning of others.

In Sixth Form the student representative body is the student led Junior Common Room (JCR12 and JCR13). They meet weekly to discuss issues concerning both academic and boarding life. Any student can raise an issue for discussion by emailing jcr@wymcol.org. The JCR and Principal's Council, both made up of Sixth Formers, work collaboratively with staff and students to address the issues raised and pass that information on to the Senior Leadership Team. Recent projects include student Wi-Fi access and anti-bullying initiatives. The JCR has a representative from each tutor group and is comprised of students from a mixture of genders and Day/Boarders from Lincoln. They discuss issues affecting running of the House. They are closely involved in making decisions on issues such as décor, equipment, activities, the running of charity events and organizing the Lincoln Formal.

Within the Sixth Form, students are encouraged to take on a number of positions of responsibility, which provide valuable personal development. As well as the Principal's Council and JCR (included below), amongst these are:

- Principal's Council
- Junior Common Room (JCR)
- Transition Mentors
- Student Subject Leaders
- Prep Assistants (Boarders only)
- Presidents and Officers of Clubs and Societies

If there are Sixth Form students who have a Royal Life Saving Society National Pool Lifeguard Qualification (RLSS NPLQ) we can offer paid lifeguarding opportunities, to cover the Wymondham Life swimming pool sessions. Please see the College Recruitment and Staff Liaison Officer in the Main College Office when you arrive, to register your interest.

Teaching and Learning

The Curriculum

We offer a broad and balanced curriculum throughout Key Stage 5 that includes studying three A-Level subjects with 11 hours of teaching time per subject, per fortnight. There is also the opportunity to study Further Maths (subject to GCSE Maths grade) and the Extended Project Qualification (EPQ) in a subject of choice. The teaching day consists of five one hour lessons. All lessons including Floreat Lectures, Tutorials and Tutor Time are compulsory.

Study periods must be on site and used for study – Students may not leave the College Campus during the working day without prior permission.

Tutorial Arrangements

The College operates vertical tutor groups within the Boarding Houses. Students meet with Tutors each day for registration and a programme of activities designed to aid learning, social skills and educational progression.

Special Needs Education

The SEND Department are here to help, available every lunch time and in lessons where needed. Together with this 'open door' approach, a formal register is provided to all teaching staff of students with specific learning difficulties, aiding staff in their teaching practices.

Please note any educational support needs your son/daughter/ward has on the 'Parental Consents Form'. Mrs Lucy Thomas is the SENDCO at the College (l.thomas@wymcol.org)

Information Technology (IT)

All students have access to College computers as well as a large dedicated suite on the ground floor in Ralphs. The IT department is well equipped with four dedicated IT suites. Furthermore, computers are also available to use in the library, any free classrooms and students also have the option to work on their own laptops in areas around Lincoln.

You may also use the Tech Block computers after school and during prep, subject to availability. Students have their own password and can access the Internet and email free of charge. This will be arranged during Enrolment in September. It is against the College Code of Conduct to let others know your password, or to allow others to access your computer whilst you are logged on, as this can lead to the loss of work and false accusations.

The Library

All students are enrolled as members of the College library automatically on joining. The Library is available to all students at break, lunchtime, after lessons and in lesson time for classes or as a study area for Sixth Form.

Private Study

Students are given specific timetabled private study periods each fortnight. Private study time must be used effectively and is a key part of the path to success whilst studying A-Levels. For each hour of lesson time, students are expected to complete at least one hour of independent work, research, revision or prep.

Home School Agreement

The welfare of all students and the ultimate success of their education depends upon a strong and mutually supportive relationship between the College, the student and his/her parent(s)/carer(s).

The Home-School Agreement seeks to clarify the part we all play in ensuring students flourish at the College. It is not a legally binding document.

Wymondham College will:

- ◇ Use its best endeavours to ensure that students have the best possible education;
- ◇ Do everything possible to safeguard the welfare of students;
- ◇ Promptly inform parent(s)/carer(s) of issues concerning their son/daughter;
- ◇ Provide an opportunity every year for parent(s)/carer(s) to meet those who teach their son/daughter at a Parent Consultation Evening;
- ◇ Inform parent(s)/carer(s) of the progress of their son/daughter through Progress Reviews and the Annual report;
- ◇ Inform students' parent(s)/carer(s) of events at the College and other matters of interest through regular newsletters and the College website;
- ◇ Ask for the views of parent(s)/carer(s) both formally and informally on a regular basis as part of the College's self-evaluation and improvement procedures.

As Parents/Carers, I/we will:

- ◇ Ensure that our son/daughter attends the College regularly as required unless he/she is ill or an absence has been authorised by the College beforehand;
- ◇ Provide him/her with the correct uniform (or Sixth Form dress) and all necessary equipment;
- ◇ Support his/her learning when at home;
- ◇ Support and uphold the Code of Conduct for Students as it applies to our son/daughter;
- ◇ Inform the College of any issues or difficulties that arise;
- ◇ Where possible, attend Parent Consultation Evenings.

As a Student of Wymondham College, I will:

- ◇ Abide by the Code of Conduct for Students;
- ◇ Adhere to the standards of dress and appearance required by the College;
- ◇ Treat fellow students and staff with care, courtesy and consideration;
- ◇ Contribute to the community life of the College;
- ◇ Uphold and enhance the reputation of the College;
- ◇ Work to the best of my ability at all times.

Student Progress and Reports

MyChildAtSchool

Access to students' Progress Reviews (PRs), behaviour log, attendance, College calendar is through MyChildAtSchool. Details on how to access MyChildAtSchool will be sent at the start of the Autumn Term.

Parent(s)/carer(s) will receive an email once PRs are released throughout the year. It is essential that these documents are read and discussed. Students of academic concern will receive intervention from departments and Sixth Form staff where appropriate.

Consultation Evenings for parent(s)/carer(s)

Annual consultation evenings for parent(s)/carer(s) are held throughout the year for each year group. These are published online and available to all.

Progress Reviews

Progress Reviews are issued to parent(s)/carer(s) during the academic year. This is a teacher assessment of the current level students are working at, along with Target and Attitude to Learning grades based on Pride, Passion and Positivity, the College's core values.

Sixth Form Dress Code

The basis of the Sixth Form Dress Code is smart, modest, business wear:

- ◇ Tailored suit with a formal button fronted collared shirt and tie.
- ◇ Tailored skirt or smart tailored trousers with a jacket and smart, formal top, or a smart tailored dress. Skirts should be appropriate in length.
- ◇ No tight trousers or tight / stretchy skirts are allowed.
- ◇ Footwear must be formal.
- ◇ Smart jumpers may be worn under suit jackets in cold weather. No slogans or logos.
- ◇ No casualwear, beachwear, leathers, denim, trainers, military wear, sweatshirts, hoodies or baggy jumpers are permitted.
- ◇ Make up and jewellery, where worn, should be subtle.
- ◇ Lanyards must be worn around the neck at all times on site apart from for sport.
- ◇ All students must follow the reasonable requests of staff regarding appearance. Refusal to adhere to the Sixth Form Dress Code will be considered a breach of College rules and will be sanctioned.

Classroom Equipment List for all Students

All Sixth Form Students are expected to bring all of their own equipment for all of their lessons. This includes:

- ◇ Pencil case, pens, pencils, coloured pens/pencils, ruler, sharpener, eraser, highlighters, post it notes, A4 lined paper, A4 ring binders, dividers, memory stick, scissors, glue stick,
- ◇ Casio Scientific Calculator (where applicable for chosen subjects), Casio classwizz and/or

Casio graphics calculator for students studying Maths or Further Maths.

- ◇ Students studying English Literature will need to purchase the texts they are studying-more information will be given about this once they begin the course.

Please ensure all large/valuable items of equipment and stationery are named.

Please note that Tippex is a banned item.

Student Code of Conduct

The Welfare of students at the College, their progress, attainment and development can only be effectively secured in an environment which is safe and well ordered, and where necessary rules and sanctions are applied in a fair, consistent and proportionate manner and where achievement and effort are properly recognised and rewarded.

We are a community that celebrates achievements and rewards hard work. It is about setting personal goals and being the best we can be, both socially and academically.

We reward excellence in many forms and offer various opportunities for leadership. To ensure students are aware of their expectations a Behaviour and Relationships Policy has been established which can be found on our website via the link: <https://www.wymondhamcollege.org/assets/Senior-Area/All-Policies/Behaviour-and-Relationships-Policy-V4-June-2024.pdf>. The Introduction is set out as below:

Introduction

Wymondham College is a community which places a strong emphasis on consideration for others, good manners, smart appearance, hard work and being kind. Being a member of this unique community is a privilege and this privilege brings responsibilities. All members of the College community and others with whom we come into contact deserve respect and appreciation. The

attitude of the whole community should be guided by our core values of Pride, Passion and Positivity.

We all have a duty to preserve the good name of the College, to care for the fabric of the College buildings and the appearance of the College grounds and to act in an environmentally responsible manner.

The Code of Conduct for Students sets out the basis of how those responsibilities are to be discharged. These apply at all times when students are in the care of the College and at other times when they may be associated with it.

Core Values

A core value is a central belief, clearly understood and shared by every member of the College. Our three core values of PRIDE, PASSION and POSITIVITY say something of our culture, our ethos and our priorities. As such, they help us to define the type of College we strive to be. They speak also about the kind of young people we wish to send into the world.

By PRIDE we mean that everyone:

- ◇ has a deep appreciation and respect for our heritage, our history and our unique boarding community;
- ◇ sets exceptional standards, celebrating personal successes and gleaning pleasure from the achievements of others; and
- ◇ has a deep sense of loyalty and commitment to our community, to our Houses, to our friendship groups and towards personal journeys.

By PASSION we mean that everyone:

- ◇ is enthused and excited by learning, taking initiative and allowing others to do the same, so that every lesson counts;
- ◇ embraces the wealth of leadership and Wymondham Life activities on offer, so that growth continues both inside and outside of the classroom; and
- ◇ is afforded the opportunity to lead, drive and shape the community in which we all thrive.

By POSITIVITY we mean that everyone:

- ◇ welcomes and embraces challenge, accepting that we are at our most productive when stretched;
- ◇ recognises that effort will lead to growth, that criticism can drive future success; and
- ◇ will foster positive and collaborative relationships with all members of the community.

Student Behaviour and Conduct

Students have a responsibility to do what they can to safeguard their own health and safety and that of others at the College.

In particular, the College will not tolerate:

- ♦ Bullying in any form, whether physical, verbal, or emotional.
- ♦ Rudeness, violence, or disorderly conduct.
- ♦ Theft or damage to the property of others.
- ♦ Disruption of any kind to lessons or other activities.
- ♦ Insolence or disobedience towards those in authority.
- ♦ Tampering with fire safety or security equipment.

Smoking is not permitted at any time and students must not have cigarettes, matches, lighters or associated materials in their possession or be in the company of anyone who is smoking. This rule also applies to e-cigarettes and vapour inhalers (other than those issued for medical purposes).

Students must not bring alcoholic drink onto College premises or be under the influence of alcohol when at the College.

Students must not be in possession of, or use, an illegal drug or an un-prescribed legal drug whilst on College premises. This includes those substances known as Novel Psychoactive Substances (NPS) "Legal Highs".

House staff must be informed of all prescribed/un-prescribed drugs used by students as these should be stored and administered by staff. All medication taken by Boarding students will be managed by the Boarder's House. Any student who becomes involved with illegal drugs in any capacity is liable to be permanently excluded from the College. The College reserves the right to apply jurisdiction beyond the College premises to the extent that it is reasonable to do so, as outlined above.

Sexual activity involving students is a breach of the College Rules. Any student entering an area of the College designated for the use only of the opposite sex, or introducing a visitor into such an area, is liable to permanent exclusion from the College.

Students must remain in House or designated House areas unless attending lessons and meals or unless their absence has been approved by a member of staff. Students must keep within College bounds at all times. The College bounds for Sixth Form students are displayed in Lincoln House.

Students must respect the privacy of others within the Boarding House and elsewhere.

Students must always behave in a manner that

supports their learning and that of other students and shows respect to staff and guests.

- ♦ Students must come to lessons promptly, properly equipped, prepared to work and properly dressed.
- ♦ Students must enter the classroom in an orderly fashion and take care of the classroom and equipment.
- ♦ Students must respect each other and each other's property.
- ♦ Students must work quietly when required to do so and complete tasks to the best of their ability.
- ♦ Students must follow the instructions given by staff to safeguard their safety and ensure that they learn effectively.

Sanctions

All sanctions imposed must be fair and proportionate. An appeal against a sanction may be made to the Principal but an appeal does not prevent a sanction taking effect immediately it has been imposed.

The Principal has the authority to exclude a student from the College, either temporarily or permanently or to exclude a Boarder from the boarding accommodation of the College. A student may be subject to an internal exclusion for serious breaches of classroom discipline.

Students' Property

Students' property is brought to College at the risk of the owner and must be insured by students or their parents.

Students have a responsibility to safeguard their own property as well as to respect the property of others. All property and clothing must be clearly marked with the name of the owner. We currently have no facility to store lost property and if it is not collected it will be disposed of.

Students may not bring to College any weapons, solvents, fuel or other dangerous articles. The possession or use of solvents or other substances for the purposes of intoxication will be considered by the College in the same light as involvement with illegal drugs. Students may not have in their possession any material of an abusive, pornographic, defamatory or otherwise offensive nature.

Students may not buy and sell possessions except with the approval of the Head of House or as part of an approved College activity.

Students may not lend or borrow money or valuable items other than in exceptional circumstances and with the approval of the Head of House.

Mobile Phones and Electronic Devices

The College has an Acceptable Use Agreement (AUA) for all laptops, mobile phones and other portable electronic equipment.

Students are not permitted to bring their devices to school unless the AUA has been signed by parent(s)/carer(s) and the student. The use of mobile phones by students is controlled under the terms of an AUA, which will be sent to parent(s)/carer(s) prior to joining. All electronic equipment must be registered with the Head of House and be submitted to regular PAT testing. Any equipment which fails a PAT test or which is not submitted for testing may be confiscated by the Head of House and disposed of at his/her discretion.

Mobile phones (and other mobile communications equipment) must be kept switched off during assemblies, lesson times, activities, prep, around the school site and after lights out.

Any use of mobile communications equipment to harass, bully or exploit any other person represents a serious breach of this Code.

Information Technology

Students must use the Information Communication Technology infrastructure of the College responsibly and according to the Information Communication Technology Policy.

Students must not create, possess, transmit, access or attempt to access materials of an abusive, pornographic, defamatory or otherwise

offensive nature. They must not use the Information Communication Technology infrastructure of the College in any way which jeopardises the privacy or safety of others.

Every care must be taken to avoid introducing viruses or causing any other damage to the College network.

Students using their own computing equipment in College are subject to the same rules as those using equipment provided by the College.

College Premises

All students must take care of the College buildings and grounds and do nothing to cause avoidable damage. The writing of graffiti is forbidden. If damage occurs it must be reported at once to the Estates Manager or to the Head of House.

Students are expected to do their utmost to act in an environmentally responsible manner. Students must not drop litter and should take the initiative in clearing up any litter that they see around the College site.

Students must use the facilities provided to recycle recyclable items. Lights and other electrical equipment, including computers, must be turned off when not in use.

Students must respect wall displays in classrooms and corridors and protect them from damage.

The chewing of gum is strictly prohibited.

Alarms

If a fire is discovered the alarm must be raised by operating a call point. If the fire alarm is sounding, you are required to evacuate immediately and report to the designated assembly point. If at any point of the day the alarm goes off, you must leave the House immediately and line up

appropriately in the assembly area between Lincoln and Peel Halls. The system is very precise and indicates which sensor has triggered the alarm. Our students' safety is extremely important, so alarm situations need to be responded to maturely by all.

Plagiarism and use of AI

Students must not copy material from another student or any other source and represent it as their own unaided work.

Students must respect the copyright of published materials. Any infringement of this rule relating to examination work will be reported to the appropriate awarding body and may result in disqualification from some or all public examinations.

Students must ensure work submitted for assessment is demonstrably their own. If any sections of their work are reproduced directly from AI-generated responses, those elements must be identified by the student and they must understand this will not allow them to demonstrate they have independently met the marking criteria and therefore will not be rewarded. For further information please follow this [link](#).

Food and Drink

Lincoln has its own Refectory as well as space for packed food to be eaten. Queuing for meals must be orderly and good manners must be observed. Food, cutlery and crockery must not be removed from the Refectory.

Food and drink may not be consumed outside Boarding Houses except with permission on special occasions. Students may consume drinking water from a lidded bottle in lessons.

Boarding students are expected to attend all meals to which they are entitled, as dining together is considered an important part of House life. In addition to the main meals of the day, sweets and snacks are available from the Lincoln tuck shop. Boarders' kitchens upstairs offer a range of facilities for storage and preparation of light snacks. Takeaways should only be ordered with prior staff consent at the weekend and should arrive before 21:00.

Day students may bring packed food or pay for a College meal. If eating a College lunch, a lunch ticket should be purchased in advance, at £4.95 per meal, via our online payment system Wisepay.

There is a Food Committee representative on the JCR who reports to the School Council. Students can give comments/requests to its members or place these in the suggestion box.

Dietary requirements

Special dietary requirements are organised via the College Medical Centre. If your child does have special dietary requirements you will have been asked to provide documentation relevant which shows that your child has food allergies and/or special dietary needs. Staff in the Refectory and in Lincoln House will then be informed and will soon get used to recognising those students on special diets.

Medical Care for Day and Boarding Students

Medical Centre

Set in the campus grounds, the Medical Centre provides a service to students needing support with their health-related needs. The Medical Centre team comprises a group of nurses and admin assistants. The team are primarily available to support boarding students, but are available for day students to assess, administer first aid and support them while waiting to be collected by a parent/carer/guardian. During term-time, a registered nurse provides assessment and management for students Monday-Friday, 07:45-20:45, and Saturday, 08:00-17:00. Outside these hours, a medical centre admin assistant is resident to monitor inpatients and handle appointment requests. The medical centre assistant is available to students and staff between the hours of 20.45-23.30 and then from 06.30-08.00, unless in emergencies. Unless specifically requested to remain with their home GP for ongoing complex health needs, on the first day of term parents of boarding students are encouraged to register with Wymondham Medical Partnership to access GP, Nurse Practitioner, and Asthma clinics that are held weekly at the College. Registration also facilitates ordering, dispensing, and delivering their regular prescriptions to the medical centre.

Students with diagnosed medical conditions can receive repeat prescriptions of their regular medications, with a supply provided for them while at school and home. This repeat prescription can be requested by House Matrons, before their medication supply runs out. Wymondham College also request that students diagnosed with asthma and anaphylaxis carry inhalers and/or Adrenaline Auto Injector Pens (EpiPen, JEXT) with them at all times, along with a copy of their care plan to aid treatment if required. Care plans will also be available to all school staff on the student's profile. During term-time, GPs and nurses from Wymondham Medical Partnership visit the medical centre weekly. Appointments can be booked by contacting the centre. Students can be seen independently, but clinics are typically supported by a medical centre nurse, and to update parents/guardians of appointment outcomes for students under 16 years of age.

Clinic Days and Times

Monday: GP clinic 08.30-10.30; Tuesday: Asthma Nurse clinic and Phlebotomy clinic 08.30-10.30; Thursday: Nurse Practitioner clinic 08.30-10.30. A teenage health clinic is held every other Thursday by the Nurse Practitioner.

Other Health Services

Dental and Eye Care: The College does not

provide routine dental or eye care, and ALL parents are advised to make arrangements during school holidays.

Medical Centre provision for Day Students

If a Day student feels unwell, they should tell their teacher or House staff, who will decide if a Medical Centre visit is needed. Unless urgent, a nurse appointment will be scheduled during break, lunch, or after school. Medicines should only be administered at school when it would be detrimental to a child's health or school attendance not to do so (as per Supporting Pupils at School with Medical Conditions DoF E 2014). The Medical Centre does not generally give medication to Day students. However, if required (e.g. for a course of antibiotics, for treatment of migraine or other chronic condition), arrangements can be made. A 'Consent to Treatment' form needs to be completed, and the appropriate medication brought into the Medical Centre. The medication provided must be in the original container and include instructions for administration and dosage. First aid and/or emergency treatment will, of course, be given. In the event of an accident, the parents will be informed by the Medical Centre.

Boarding Students

If a Boarding student feels unwell while at school, they should speak to their teacher, or House staff. If they are in House and the problem is minor, Matron is likely to be able to deal with the problem. They can give over the counter medication: e.g. paracetamol, antihistamine, etc. If the problem is more complicated or Matron is concerned, the student may be referred to the Medical Centre and an appointment to see a nurse will be offered. If the nurse decides that the student is too unwell for school, they can rest on a bed in the Medical Centre where we have 5 male and 5 female beds. If a student is admitted overnight, parent(s)/carer(s)/guardians will be informed where possible. If a student is likely to be off school for several days, the parent(s)/carer(s)/guardians may be asked if they would like to take their children home, (e.g. when there is a need for isolation for 48 hours after symptoms cease). Any medication prescribed/started while not at school must be handed to the House Matron. These need to be in the original container with the student's name and dose of the drug and how often it is to be given. Any non-prescription medication, such as vitamins should also be handed in to Matron to keep a complete record of what the student is taking and the parental request for treatment form completed.

College Life and Boarding

Lincoln House Office and Boarding

This is an important place for information, signing in and out, or making contact with duty staff. It is also where students can deposit valuables or other important items, such as passports, and hand in forms. The House Office is situated in the centre of the Lincoln building. There is a reception counter where folders for signing in and out will be situated. If arriving late, all students should sign in at the House Office with the Attendance Officer to ensure they are registered.

Prep

This is the evening private study session for Boarders and Day Boarding students. It runs from 18:00-20:30 Monday to Thursday and 18:00-20:00 on Fridays (with some variations for sports and other activities), and from 09:00-12:00 on Saturday mornings. There should be a quiet, working atmosphere during these times. Students will often need to work at other times as well, which is made easier for Boarders by having study space in their bedrooms. Please respect the need for a quiet space for all. The evening prep time is supervised and monitored by duty staff, who are also available to give academic support.

Wymondham Life

Wymondham Life activities are constantly changing throughout the year offering various new opportunities to students. All information will be sent to parent(s)/carer(s) by email. These emails will give full details of timings, activities and information around external visits. Wymondham Life aims to give students the opportunities that they would normally have when at home.

A full and diverse programme of activities is available to provide opportunities that meet the interests of our young people. Wymondham Life is always evolving dependent on student interests ranging from weekend trips to the beach, London dungeons, Winter Wonderland to a general shop at the supermarket or clothes shopping in Norwich. Also available throughout the week the College offers general sporting activities all the way to more extreme activities such as kayaking, horse riding and High Altitude (trampoline world). We aim to offer alternative interests such as cooking for fun, quiz nights, Minecraft, yoga and movie nights. There are also Boarder activities which usually take place on a Sunday during the term. These are organised centrally and forms for these are available in House.

Clubs, Societies and Activities

There is a huge range of clubs and societies with which you can become involved, and there are many opportunities to take on leadership roles. Sixth Form students are encouraged to bring their own ideas and talents to the fore as well as to help with a range of clubs and activities across the College, thereby ensuring that their experience here is rich and diverse.

Trips Away From College

Trips are organised away from College by some members of staff and forms will be available to parent(s)/carer(s) from the department/house when appropriate. Places are allocated on a first come/first served basis for which payment is required, which secures the place followed by return of the form. Payment is made through the online payment system (Wisepay). Please note that places may be spread across Houses.

College Sport

On Wednesday afternoons, all Year 12 students must sign up for either sports or private study for both periods 4 and 5. Some of the sports options will be for squads aspiring to College representation and some will be more recreational. The range of alternative activities varies from year to year. Competitive team training and fixtures

take place during Games and one evening a week from 16:00 to 17:00.

There is no compulsory kit, but kit should be of sporting attire and appropriate for the activity undertaken (no jeans, crocs, sliders, etc). Specific sports teams will often give students the opportunity to purchase training/ playing kit. Being selected to represent the College is considered an honour and the Sports Department value those students who commit fully in this regard. Attendance to after school training sessions, as well as Wednesday afternoon games, forms part of the profile of a reliable team member.

During the Autumn Term the major sports are hockey, rugby and football. In the Spring Term netball is added to the programme and after the Easter break, attention turns to athletics, cricket and rounders. These are all supplemented throughout the year by other physical activities such as gymnastics, swimming, basketball, badminton, cross country, tennis and fitness.

A full programme of inter school matches are played throughout the year across the major sports and parent(s)/carer(s) are always welcome to come along and show their support.

Students who are selected to represent the College must understand that fulfilling that commitment is an absolute priority in all but the most extreme of cases.

Musical Tuition

Lessons are 30 minutes in duration and are taught on a rota basis during normal lesson time. Students are expected to catch up with their academic work in their own time. The cost of the lessons is payable directly to the teacher concerned, in advance on receipt of an invoice. At present, it costs £195.00 per school term for ten lessons. The lessons can be arranged with the Director of Music.

We hope that all students who take music tuition will participate in the various ensembles the College provides. Support for music practice is available in the Boarding Houses for Boarders.

Absits – Mid Week

There is no specific College transport for this purpose and students must make their own travel arrangements. Students must have parent(s)/carer(s) consent and the approval of Lincoln staff before leaving. Until they have settled in, absits will not be available to Year 12 students for at least the first half-term. In all cases, parent(s)/carer(s) approval must be confirmed.

Absits – Saturday and Sunday

Boarders are also customarily entitled to Saturday and Sunday absits to Norwich, from 12:00 until 19.00 on Saturdays and 11:00 until 19:00 on Sundays. School activities, such as sporting fixtures, take priority over absits and weekend leave, and all College rules naturally apply.

Transport to the College

Public Transport

For details of public transport to the College, please log on to the Norfolk County Council website: www.norfolk.gov.uk/education-and-learning/school-and-college-transport. First Bus currently operate two services, the 13C bus from Norwich to the College in the morning and a return journey in the evening and the 13 bus from Attleborough to the College in the morning and a return journey in the evening. For further details please view the First bus website www.firstgroup.com/norfolk-suffolk.

The College cannot take responsibility for the transport arrangements of students, including Boarders travelling home at the end of term, half term or at Exeats. However, minibuses are provided to take Boarders to Wymondham Railway Station and the National Express/Jetlink coach stop immediately after school finishes. Coach tickets should be booked in advance to guarantee a seat. Taxi services can be booked through the College by parent(s)/carer(s) of overseas students.

Cycles

A cycle shelter is provided for students to use and

students are asked to ensure they have a cycle lock. A protocol for students cycling to College can be found on the website. Students wishing to cycle should seek permission from the Principal in the first instance.

Motorcycles/Cars

Students who are legally permitted to drive, are permitted to bring a car or motorcycle into the College car park, subject to the following conditions:

- A car permit is applied for and displayed in the vehicle.
- The vehicle is only used in accordance with the conditions set out on the car permit.
- The vehicle is parked in an approved place on site and that the speed limit within the College grounds is respected.
- That it can be shown that it is necessary to use private transport to travel between home and the College and that a car permit is applied for and granted by the Head of House.
- Students should park in Lincoln Car Park.
- That the keys are left for safe-keeping with the Head of House.

Day Boarding

Day Boarding is the offer that we make to current Day students that gives an additional four hours of support and enrichment at the College after the normal day has finished. They can also come to the College early and join their House for breakfast. Day Boarding students can also enjoy access to a dorm, where they can get changed and store possessions (subject to availability).

This includes:

- ♦ Collaborative learning
- ♦ Supported independent learning
- ♦ Access to Wymondham Life 1 and 2 or 3
- ♦ Breakfast, lunch, supper and refreshments
- ♦ Specialist support

Day Boarding fees and other information can be found via the link: <https://www.wymondhamcollege.org/home/admissions/boarding-and-additional-fees>

Boarding at the College (UK and Overseas Students)

Settling In

On arrival it is suggested that Boarders and their parent(s)/carer(s) go together to the dormitory to unpack and make up their bed. It is important to do this together so that your child knows where everything is but of course some children may prefer to do this for themselves. Once this is done, it is a good idea to leave as soon as possible as prolonging goodbyes can make it more difficult for your child to settle. Please note that to preserve the privacy of other Boarders, parent(s)/carer(s) are not permitted upstairs with the student except at the beginning of each full term.

Some students adapt very quickly whilst others take longer to settle in. What we do know is that the vast majority of children take the process in their stride and are soon enjoying the camaraderie, the social and the educational opportunities that boarding provides.

If children are having some initial difficulty settling in, it can be very tempting for parent(s)/carer(s) to overuse the mobile phone to provide reassurance and support. Unfortunately, this is often counterproductive and can often exacerbate feelings of homesickness. The best approach is to maintain regular but decreasingly frequent contact during the first two weeks, reassuring your

child that homesickness is a natural part of getting used to being away from home for many children (and adults too). Calls just before bedtime can be unsettling as this is the time of day when boarders are most tired. Please feel free to chat with the Head of House or house staff if you have any concerns.

What to Pack

This is a guide on what to bring with you when you come to Wymondham College. It is ultimately up to you what you bring, please be aware that some items are not permitted at College so may be confiscated when you arrive.

- ♦ No over counter medicines necessary – vitamins etc. Medical Centre need to be aware

Bedding

All Boarders are provided with fitted bed sheets but are asked to supply duvet covers and pillowcases (laundering of these is their responsibility). Duvets, pillows, and mattress protectors are all provided.

Mattress toppers are not, so if you would like one of these please bring it with you. The College can provide bed linen on request for those who do not have their own. The College can also provide additional pillows, but it is necessary for parent(s)/carer(s) to supply additional pillowcases. We do however, like to encourage the use of own bedding, mattress toppers, duvets and pillows.

Laundry

There are two very effective launderettes, one in Lincoln and one in Ralphs, for Boarders to use. They are open all day and students are expected to be self-reliant with their laundry. Students are expected to provide their own washing pods/capsules/tablets.

Electricals

Students may bring their own phone, laptop, hairdryer and may wish to bring a lamp and alarm clock. Phone and laptops are subject to the acceptable use agreement and students must be responsible for the safety of their own items.

For Health and Safety reasons, all electrical goods on the premises have to be checked and approved to ensure they are safe, before they are brought to the College. Any item found to be unsafe will be removed to avoid any risk of injury or fire hazard. The College provides fridges, microwaves, kettles, irons and TVs in the Boarders' common rooms and/or kitchens and there is a limited number of study lamps should they be required. **Many electrical items are not permitted in dorms** – please see the What not to Bring! section. Parents are asked to ensure that any electrical items are in a safe condition – please note the Electrical Items Disclaimer in the Consent Form. The College tests students' electrical items once a year.

What not to Bring!

Students are not permitted to bring the following items onto the College campus:

- ♦ Alcohol, drugs or new psychoactive substances.
- ♦ Smoking materials including e-cigarettes, matches and lighters.
- ♦ Indoor or outdoor fireworks.
- ♦ Knives – a knife such as for cutting a cake may be allowed with the agreement of boarding staff.
- ♦ Blades and scalpels- if required by students for modelling, permission must be obtained from the Head of House. Restrictions may be imposed as to where kept.
- ♦ Electric blankets.
- ♦ Fridges, toasters, sandwich makers or any form of hot plate, kettles and rice boilers other than in

kitchens or kitchenettes.

- ♦ Door fitting pull /chin up bars.
- ♦ Candles. Birthday cake candles may be permitted with the agreement and under the control of a member of the boarding staff.
- ♦ Incense burners.
- ♦ Two pin plugs without 3 pin adaptors.
- ♦ 3 way multi point plug adaptors.
- ♦ Darts, arrows, catapults or weapons of any type.
- ♦ Skateboards and roller skates. May be used subject to Head of House approval, in a safe area and a helmet being worn.
- ♦ Weights lifting bars and weights. May be used subject to Head of House approval and restrictions.
- ♦ Laser pens.
- ♦ Bleach or similar cleaning materials.
- ♦ Any electrical equipment which is not in good condition or is being constructed or adapted. Some electronics or similar hobbies may be permitted with the Head of House approval after consultation with the Health and Safety Officer.
- ♦ Afro combs are not allowed to be used or carried outside the Boarding House, other than

- when departing from or arriving on the campus.
- ♦ Plug in electric air fresheners.

Departing the College

End of Term/Half Term/Exeats

Students depart from their Boarding House from 12:30 at the end of term, and 15:45 for half term and exeats; the latest collection is 17:00 and must be agreed with the House.

Arriving back at the College

Exeats/Half Term

Boarding Houses open at 19:00 and the latest arrival should be no later than 21:00.

Start of Term

Boarding Houses open at 16:30 and the latest arrival should be no later than 21:00.

Early Arrivals

With more complex travel arrangements, a designated Early House will open for overseas students only, from 16:00. Parents must inform the College of the arrival times if they will be returning their child/children at this earlier time.

Overseas Students (Extra Information)

The College is closed for all students including Boarders during the published holiday and Exeat times identified in the annual term dates published by the Governors in the autumn term prior to the next academic year.

It is the responsibility of the parent(s)/carer(s) of each Boarder to make their own guardianship arrangements for their daughter or son which may be necessary when the College is closed. This typically applies to Overseas Boarders at Exeats and half term holidays. These guardian arrangements must be submitted to the College prior to entry (via the Consent Form) and any subsequent changes must be notified in the same way. Annex 9 is an addition to the Child Protection and Safeguarding Policy and also expands on the expectations of guardians.

ANNEX 9 - Travel arrangements for overseas (international) students (and others undertaking significant unaccompanied travel within the UK)

The College is proud to have a significant cohort of overseas students from many different countries. It is recognised that these students face challenges which many other Boarders do not. To promote and safeguard the welfare of overseas students, it is essential that the following is adhered to:

- ◇ All overseas students must have a guardian appointed by parents who will be the College's point of contact in mainland Great Britain should an emergency arise. The guardian is also expected to accommodate any overseas student who is ill as the College's medical centre only deals with short-term ailments. **The guardian must be at least 25 years old, be available to act at short notice and live within a reasonable travelling distance of the College.**
- ◇ The guardian is a point of contact throughout the College term and must be ready to accommodate students at short notice in case of an emergency, crisis, periods of illness or during other short-term absence from the College, for example for disciplinary reasons.
- ◇ Unless accompanied by their parent(s)/carer(s), overseas students in their first term at the College must be collected at the airport by their guardian and be transported to the College by them. The guardian (or parent(s)/carer(s) must also take personal responsibility for collecting overseas students at Exeats and half term during the first term. At the end of the first term, overseas students must be collected and signed out by their guardian or parent/carer and transported to the airport.

- ◇ Thereafter, at Exeats and holidays (including half term holidays), parent(s)/carer(s) must have suitable transportation and accommodation arrangements in place. The College normally expects guardians to take charge of overseas students at this time, but if this is not possible, it is the responsibility of the parent/carer to put in place a robust travel and accommodation plan and notify the Head of House of the arrangements in writing at least one week in advance of departure.

- ◇ National Rail offers the following guidance to parents when planning journeys for unaccompanied children:

Young children are safer if they travel with an adult or friends, but you can prepare your child for travelling by train by explaining:

- Train times and the details of the stations that they need to change at.
- That it's best to travel in busier coaches, so that they can get help if needed.
- How dangerous the railway can be - stand back from the platform edge, never try to get on or off a moving train, don't run on platforms and to mind the gap or step when getting off the train.
- That announcements at stations and on the train will help make their journey easier.
- The dangers of talking to strangers.
- Who to approach if they are in difficulty or are lost.
- How to recognise railway staff and the Police.
- ◇ It is the responsibility of the parent of an overseas student to book the correct airline ticket and to ensure they have fully acquainted themselves with their particular carrier's rules regarding unaccompanied minors. Many airlines require a responsible adult to be present at departure and upon arrival to collect the unaccompanied minor. Particular regard should be paid to code-share flights when one airline's rules may be different from the carrier through which the ticket was booked.
- ◇ The College has a senior manager who is always available in emergency situations. All overseas students (and their parents) should store the emergency contact number on their mobile phones. It should also be carried with travel documentation. The emergency contact number is +44 (0)1953 609080. It may be used where an overseas student runs into serious difficulty when travelling to or from the College or when staying with guardians in the UK at weekends or Exeats. This service

is not a substitute for making adequate arrangements, including insurance, for overseas students at this time.

- ◇ Where it seems to the Principal or the senior manager on duty, that adequate arrangements have not been made by a parent/carer or guardian to safeguard the interests of a student, the College reserves the right to intervene and to make arrangements for the safe transportation and accommodation of students. If this is necessary, the College will levy a charge of £500 per night for accommodation and £1000 per 24 hours (or part thereof) of staff time against the students' boarding fee account. It may also be necessary to make a referral to the Children's Services.

Guardianship Arrangements

The College cannot recommend or arrange guardianship services. The College strongly recommends that parents appoint a reputable guardianship organisation that is accredited by AEGIS (the Association of Educational Guardians for Overseas Students). AEGIS is the national body for monitoring and regulating the welfare of overseas students and provides accreditation of guardianship organisations in line with the National Minimum Standards for Boarding and guidance from Ofsted.

The website for AEGIS is: www.aegisuk.net where you will find a list of accredited member agencies.

All overseas students at Wymondham College are expected to have a guardian who will undertake the following responsibilities:

- ◇ Provide a point of contact throughout the College term and be ready to accommodate my son / daughter at short notice in case of an emergency, crisis, periods of illness or during other short-term absence from the College, for example for disciplinary reasons.
- ◇ To provide suitable accommodation for my son /daughter and an appropriate degree of care and supervision during Exeats, half term breaks and longer holidays, unless the parents have put in place other arrangements.
- ◇ Collect overseas students at the point of entry to the United Kingdom and bring them to the College, at least for the first term.
- ◇ Collect overseas students from the College at holiday periods and transport them to the airport, at least for the first term.
- ◇ If travel arrangements do not coincide with beginning / end term dates to provide stopover care.
- ◇ To be ready to attend important parent/teacher meetings or any other special meeting at the school on my behalf.

Overseas Students (Extra Information)

- ♦ To make suitable alternative arrangements if unable to accommodate my son / daughter and to inform the Head of House of any such arrangements.
- ♦ To be ready to liaise with Head of House on my behalf in any matters relating to my son /daughter's welfare (e.g. academic progress, uniform and equipment).
- ♦ To inform the College in writing about all travel arrangements and to provide all the necessary details prior to my son / daughter leaving the College for a weekend or a longer holiday period.
- ♦ Familiarise themselves with the selected airline's conditions of travel for unaccompanied minors and comply with them.

Exeat House

One of the Boarding Houses will be host to overseas Boarders for the Exeat weekend when travel home is not possible, or they are unable to stay with their UK guardian. Activities are planned by the House which include outings. The current cost for the Exeat weekend is £180 per student, non-refundable with payment made at least one week prior to Exeat. During the year, there may be a three-day Exeat weekend which will be £250. The booking must be made via the College finance system, Wisepay, to secure a place.

Transport Information

At the start of each half term, parent(s)/carer(s) are asked to provide their children's travel plans for the forthcoming Exeat weekend, half term or end/start of term. At the beginning of each term parent(s)/carer(s) will be required to complete the online travel form. This is to ensure that robust travel plans are in place and parental consent is obtained in advance.

Transport is provided to and from Wymondham Train Station for Exeat, half term and end/start of term at set times. Although the following is subject to change a guide for the timings are as follows:

- ♦ End of Term, Exeat and half term departure times are normally from 16:00. Confirmation of times will be sent to House and students from the College Office.

Travelling to and from the College (Guide to travel options in the UK)

For departure and arrival times before and following College holidays please see the Boarding section.

All the following information is a guide to travel options in the UK. This information is for use to arrange travel for your child.

Train

Train tickets can be purchased online via www.nationalrail.co.uk and these can be emailed or posted to the College. Please ensure that if posted the address details include your child's name, Boarding House and the Wymondham College full address (this can be found at the start of this booklet). Please order tickets at least three to four days in advance to allow time for postage.

Coach

Coach tickets for National Express services can be purchased online from www.nationalexpress.co.uk. These can be emailed or posted to the College. Please note that National Express do not allow children under the age of 14 to travel alone. Parent(s)/carer(s) should book a taxi to transport the student to the coach station.

Taxi

We are unable to recommend individual taxi companies but can provide parent(s)/carer(s) with the current local authority approved list of taxi companies. Some parent(s)/carer(s) will arrange taxis to be shared with other students and with permission, parent(s)/carer(s) details can be shared.

Bus

The 13C First Bus service operates a limited service between Attleborough and Norwich. For timings please visit the First Bus website: www.firstgroup.com/norfolk-suffolk/routes-and-maps/network-norwich/turquoise-line-13

English Support

Students meet with the EAL Learning Lead within the first two weeks of arrival at Wymondham College for an assessment and to ascertain the level of support to be provided.

Parents Evening Support

Students may request a buddy from their Boarding House who will accompany them to appointments and encourage completion of a feedback form. This is scanned and emailed to parent(s)/carer(s) the next day.

Contacting Home

All Houses are equipped with Skype/Teams facilities so that Students can contact home in their free time.

Luggage Storage

During the College holidays, overseas students may store up to two suitcases. All suitcases/luggage must be identified with the student's name.

Fees

Registration

Parent(s)/carer(s) of UK Boarders are required to forward a £2,000 non-refundable deposit when they accept a boarding place at the College. This amount will be deducted from the last term's fees. Where a full boarding place has been offered to a student whose main residence is outside the UK (except HM Forces), a non-refundable deposit of £5,850 will be required at the time of acceptance. This is deducted from the last term's fees (less any debts to the College) when the student leaves the College. If a student does not make the MQS (Minimum Qualifying Standard) to join the Sixth Form the deposit will be returned.

Boarding

Parent(s)/carer(s) of Boarders must sign the College Boarding Agreement, which is a legally binding contract, setting out the terms and conditions under which the boarding place is offered, including the financial obligations of parent(s)/carer(s).

Parent(s)/carer(s) (or the relevant Fee Payer) who have responsibility for payment of the boarding fees are required to (also) sign the Boarding Agreement. If both parent(s)/carer(s) (or Fee Payers) are signatories to the agreement they are held to be jointly and severally liable for the payment of the boarding fee.

Day Boarding

Parent(s)/carer(s) of Day Boarding students are required to sign the College Day Boarding Agreement which is a legally binding contract setting out the terms and conditions under which the Day Boarding place is offered, including the financial obligations of parent(s)/carer(s).

Parent(s)/carer(s) (or the relevant Fee Payer) who have responsibility for payment of the Day Boarding fee are required to sign the Day Boarding Agreement. If both parent(s)/carer(s) (or Fee Payers) are signatories to the agreement they are held to be jointly and severally liable for the payment of the Day Boarding fee.

Payment of Fees

Payments may be made by direct bank transfer or direct debit. If you choose either method, please remember to quote your child's account reference which can be found on the top right-hand corner of the invoice. Fees can also be paid by cheque, either by post or delivered to the College Finance Department on the day that the Boarding students return at the start of a term. The Finance Department remains open to receive payments on those evenings.

Parent(s)/carer(s) are welcome to contact the Accounts Office at any time if they have a query with regards to the payment of boarding fees – fees@wymcol.org. Please note that under the School Pupil Registration Regulations any Boarder for whom fees remain due at the end of a term will be removed from the College Roll.

Other Charges

Most of the facilities within Lincoln/Ralphs are funded by the boarding fees that boarding parents pay as we do not receive any Government funding for this building or its contents. This has in the past included such items as new IT machines and furniture for the communal atrium area all funded by boarding fees. We therefore ask all parents of Sixth Form Day students to pay an annual facilities fee of £100 which helps to contribute to the maintenance and up keep of these spaces which are solely available to all Sixth Form students.

Payment for these facilities can be made via Wisepay, or if unable to pay on-line via cheque, made payable to Wymondham College. If paying by cheque, please write the student name on the reverse and return it to the Sixth Form office.

The full charging policy is available on the College website. This includes the provision to charge parent(s)/carer(s) for any damage attributable to the willful or negligent acts of students and for the loss of College property.

Insurance

The College does not provide insurance cover for students' personal possessions. Parent(s)/carer(s) may wish to consider if they have adequate cover for any valuables.

Help and Advice

Working Tax/Universal Credit

Parent(s)/carer(s) in receipt of Working Tax Credit (WTC) may be able to claim for the childcare element of the WTC against the Boarding or Day Boarding fee. Parent(s)/carer(s) who satisfy the above qualifying conditions should check with the HMRC.

16-19 Bursary Fund

The Government has allocated each school with limited funds, introduced for the purpose of providing targeted support to individuals who are struggling with financial costs, associated with participating in learning. For example, help with the cost of lunches, travel, books, equipment, trips, etc. Receipt of the bursary is conditional on the student meeting agreed standards as set by the College. The funds are calculated termly and are for the student only. Application forms and/or further details can be obtained from the College Office.

Email: collegeoffice@wymcol.org, or telephone: 01953 609007. Forms are also downloadable via the College website.

Support and Guidance

The development of the whole student both, academically and socially, is important to us at Wymondham College and great emphasis is placed on pastoral care. The Sixth Form is fortunate to have its own Welfare Manager for students and parent(s)/carer(s) to turn to, should they feel the need. Contact can be made either via telephone 01953 609000 ext 3450 or email attendance6@wymcol.org.

The Tutor should be the first point of contact for school issues or boarding staff for boarding issues. More serious issues will be referred via Tutors to Head of House.

Child Protection

Wymondham College is committed to Safeguarding and Child Protection. The Designated Senior Person for Child Protection is Vice Principal - Safeguarding, Attendance and Wellbeing, Miss Julie Marsh. She has responsibility for the co-ordination of all child protection issues throughout the College and will liaise with external agencies as appropriate.

If you have any concerns or issues you would like to discuss, please contact Reception direct (01953 609000) and ask to speak to Mrs Julie Marsh

Complaints

Naturally, we hope that you will be happy with the way in which we work with you and your son/daughter or ward and will not feel the need to complain. Informal complaints will be recorded by the Head of House. However, we recognise that there may be occasions when you feel that you wish to make a formal complaint.

A formal complaint may be made after informal attempts to resolve the situation have been exhausted. You should write to the Principal setting out the reasons for your complaint and providing any supporting documentation. The Principal will arrange for your complaint to be investigated and you will be informed of the outcome of your complaint within three school weeks.

If you are dissatisfied with the outcome of your formal complaint to the Principal or if your complaint is about the actions of the Principal, your complaint should be addressed to the Clerk to the Trustees at the College address.

The full text of the Complaints Policy is available on the Wymondham College website at: www.wymondhamcollege.org

Annual Formal Events Calendar

Remembrance Sunday - Autumn Term

Our Remembrance Sunday service is another special event in the College Calendar. We remember those who have given their lives in the World Wars and more recent conflicts.

Members of the College are joined by representatives of the United States Air Force, to pay tribute to the sacrifice of the American airman for whom the College site was a hospital between 1942 - 1945. All students and their parent(s)/carer(s) are welcome to attend.

Christmas Carol Service - Autumn Term

The College's Christmas celebrations include a Service of Nine Lessons and Carols featuring the College Choir and Orchestra. All students and their parent(s)/carer(s) are welcome to attend.

The Lincoln Lecture - Spring Term

All parent(s)/carer(s) are welcome to apply for

tickets to the Lecture which takes place in the Spring Term.

House Formals - Spring Term

Each House organises its own events, including a 'formal'.

The Mair Cup - Spring Term

The Mair Cup is the annual Interhouse music competition which takes place during the Spring Term. Admission is by ticket only and all students and their parent(s)/carer(s) are welcome to attend.

Speech Day - Summer Term

Speech Day is the opportunity for the College to recognise the achievements of its students. Prizes are usually presented by an eminent guest speaker. Speech Day is by invitation only.

Parent Staff Association

About us

The Wymondham College Parent Staff Association (PSA), are parent(s)/carer(s) and staff working together to forge connections between us all and raise much needed funds for College equipment, educational projects and student experiences. We do this by organising social events from our Chilli and Quiz Night, through to Comedy Nights and our fabulous Winter Fayre and sales in our on-site PSA Shop, 200 Club Lottery, Amazon Smile, EasyFundraising and Bag2School Clothes/Shoes Fundraising scheme. All families are automatically members of the PSA when their child/children join(s) the College. The PSA has a committee with elected officers, ordinary committee members and a group of volunteers. We are a charity so we can receive donations from local and national companies, company "Matched Giving" schemes, payroll giving as well as applying for grants. When your child joins the College we encourage parent(s)/carer(s) to make a one-off family donation of £10 in patronage of the PSA. Every time you support the PSA with a cash donation or if you support a sponsored event the PSA can claim the Gift Aid on your contribution. To make a donation or receive a declaration form, please email wymondhamcollegepsashop@gmail.com

Events

We arrange a wide variety of social events. Below is a summary of events we hold every year which we would love you to join us for and we are always looking for ideas from the College community, if you would like us to arrange, please get in touch by emailing wymondhamcollegepsa@gmail.com.

We value the support of the entire College community.

Tickets for events can be purchased from Main Reception or via BACS by email; wymondhamcollegepsa@gmail.com. Booking forms will be emailed as events approach by the College office; collegeoffice@wymcol.org.

Event Key Dates

September: Back to College Coffee morning
October: Family Bingo Night
November: Winter Fayre
February: Chilli and Quiz Night
July: Comedy Night

PSA Hub

PSA volunteers run a new and second-hand Hub selling uniform, sports equipment/footwear, mouthguards and toiletries. The PSA Hub is located at the top end of the Cavell Car Park (reached via the Tom Eaton Entrance) and is open every Tuesday in term time for 15:30-16:30 and Saturday in term time from 11:15-12:15. We accept either cash or cheque for payment. We have a small changing room so students can come along and try items with parent(s)/carer(s). We also sell tea towels in House colours and PSA branded shopping bags. A mail order service is available for out-of-hours by emailing wymondhamcollegepsashop@gmail.com. The income generated by the PSA Hub supports a wide variety of educational projects for students within the College and is a very useful service for parent(s)/carer(s) and students alike.

PSA Uniform donations

We have PSA uniform donation bins available in each of the Houses (either in the foyer or nearby, please ask at the House office if you cannot find them). These are ready to gratefully receive clean donations of uniform you have finished with – this can include sportswear and footwear too. We are also happy to accept donated items in the shop itself when the PSA shop is open.

200 Club Lottery

PSA volunteers run the 200 Club Lottery. This is limited to 200 places and a monthly draw with guaranteed cash prizes of £75.00 and £30.00. There is also a chance to win up to £2000.00 and £1000.00 in the September jackpot.

By joining our lottery for £5.00 a month you are supporting the Wymondham College Bursary fund which assists students with the cost of educational trips which they otherwise wouldn't be able to afford and education projects such as buying new library computers as we did in 2016. You can sign up to our lottery by emailing wymondhamcollegepsa200club@gmail.com

Amazon Smile and EasyFundraising

You can also help us raise money for free every time you shop online. Shop via Amazon Smile and nominate us as your charity. Also sign up to www.easyfundraising.org.uk/causes/wymondhamcollege to support us while you shop with one of over 3,000 retailers including food shopping, clothes, books, music, films, insurance, holidays, flights, office supplies, and many more items. Retailers will donate, at no cost to you, every time you buy. So far, our incredible supporters have raised over £3783.38.

Matched Giving and Payroll Giving

If you work for an organisation that has a match funding policy, any money you raise could be matched by your employer. Companies may match the fundraising total for an event, or for the stall that their employee is working on. Let us know if your company has a scheme?

Bag2School

We organise a bi-annual collection of unwanted used clothing and shoes. For more information, please go to www.uk.bag2school.com.

PSA Grants/Awards

The PSA funds equipment, projects and experiences that enhance student's education where there is a strong evidence of need, that involve as wide a range of students as possible

and are value for money. Grants awarded have included: allotment project, smoke machine, stock market challenge software, astronomy club planetarium, lighting workshop, junior golf sets, robotic sets, rugby scrummage machinery, hockey kit, outdoor gym and seating, cricket bowling equipment, digital camera, minibuses, language plays, indoor cricket nets, visual and performing arts festival, netball team dresses, kitchen equipment for cooking, university clubs, ICT touch screen display, sixth form PA system and library books.

Volunteering

We encourage parent(s)/carer(s) to volunteer for an hour once a year and help us make a real difference. We support College events with a pool of volunteers who are coordinated by our secretary. The type of events the volunteers support are parents evenings, open events and concerts where we serve refreshments (the College catering team do everything else including the baking and the washing up), helping at PSA social events and helping in the PSA Hub. There is no obligation, and you will always be fully supported alongside other experienced volunteers.

Keep in Touch

Support the College

Wymondham College Trust

The Wymondham College Trust is an independent charitable organisation which exists to support the College. By giving money to the Trust via "Gift Aid", UK taxpayers can benefit the College and claim tax relief at their highest marginal rate.

For more information, please go to <https://www.wymondhamcollege.org/home/partnerships-and-awards>, contact the Secretary to the Trust on 01953 609000.

The Old Wymondhamian's

The Old Wymondhamian's is the association for all former students, staff, governors, and other friends of the College. The Old Wymondhamian's organise a variety of activities, including reunions, to promote friendship between former members of the College and to support the College.

When students join the Sixth Form they will be invited to take out a life-time membership of the Old Wymondhamians. The cost for this is £10.00 and will be a one-off payment. To register, email alumni@wymondhamcollege.org.

The Old Wymondham's has responsibility for its website: <https://theoldwymondhamians.co.uk/> which is a source of stories, photographs and data, not only about the College, but also its previous life as a USAF Hospital in WW2.

Funding comes from a monthly 100 club prize draw which we would encourage people to join. The 100 Club is also the source of income for the annual travel award made by the Old Wymondhamians to a student travelling in a gap year.

Privacy Notice - Data Protection Act 2018

Sapientia Education Trust is the Data Controller for the purposes of the Data Protection Act and Wymondham College is a school within the Sapientia Education Trust. We collect information from you, and may receive information about you, from your previous school and the Learning Records Service. We hold this personal data and use it to:

- ◇ Support its students' teaching and learning
- ◇ Monitor and report on their progress
- ◇ Provide appropriate pastoral care
- ◇ Assess how well the school as a whole is doing.
- ◇ To support your transition to post 16 education/training

This data includes your contact details, national curriculum assessment results, attendance information, characteristics such as ethnic group, special educational needs and any relevant medical information. If you are enrolling for post 14 qualifications, we will be provided with your unique learner number (ULN) by the Learning Records Service and may also obtain from them details of any learning or qualifications you have undertaken.

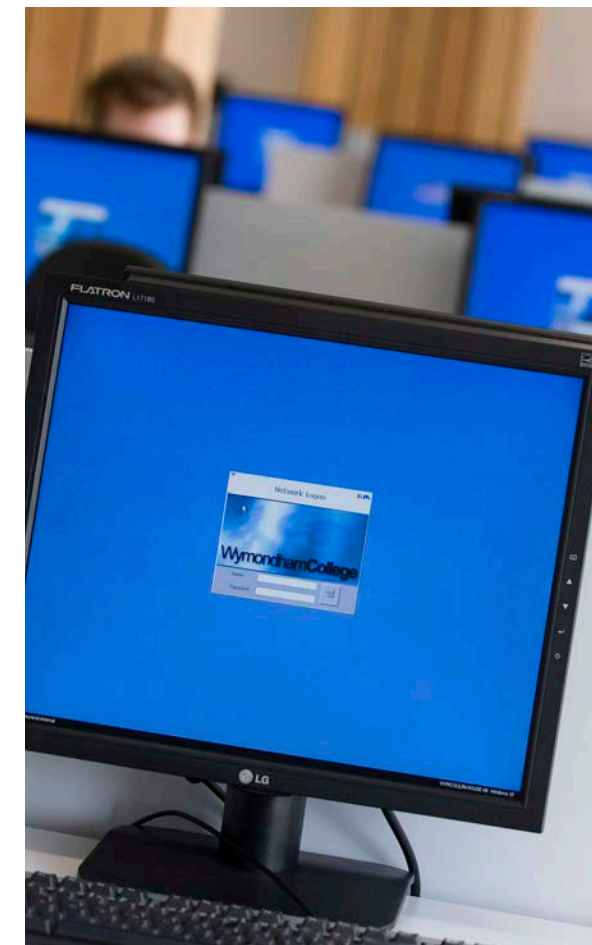

This data may only be used or passed on for specific purposes as allowed by law. From time to time the school is required to pass on some of this data to local authorities, the Department for Education (DfE), and to agencies that are prescribed by law. All these are data controllers in respect of the data they receive and are subject to the same legal constraints in how they deal with the data.

Pupils, as data subjects, have certain rights under the Data Protection Act, including a general right to be given access to personal data held about them by any data controller. The presumption is that by the age of 12 a child has sufficient maturity to understand their rights and to make an access request themselves if they wish. A parent would normally be expected to make a request on a child's behalf if the child is younger.

Full details of the Data Protection Policy and the Privacy Notice may be found on the College's <https://www.wymondhamcollege.org/sixth-form/about-us/policies-and-key-documents>

If you wish to access your personal data, or that of your child, then please contact the Bursar on 01953 609000.
