Dear Parent/Carer

Important Information: Registering with a New GP After Leaving Sixth Form

As you reach the end of your time at Wymondham College, we would like to wish you every success in the next steps—whether in further study, work, or new opportunities ahead.

If you are currently registered with **Wymondham Medical Partnership**, please be aware that your registration will **end once you leave the College**. To ensure continued access to medical care, prescriptions, and NHS services, you will need to register with a **new GP** near your home or future place of residence.

You can find and register with a local GP via the NHS website:

<http://www.nhs.uk/service-search/find-a-gp>

For registration purposes, the College GP details are:

Wymondham Medical Partnership

Post Mill Close

Wymondham,

Norfolk

NR18 0RF

Tel: 01953 602220

If you take regular medication or receive ongoing treatment, please arrange registration with your new GP **as soon as possible** to avoid any disruption. Your medical records will be transferred automatically after registration.

If you need help or have questions before leaving College, please contact the Medical Centre. **During school holidays, the Medical Centre is not staffed, and emails are not routinely monitored.** For urgent enquiries during these times, please contact the **College Office**.
