## Welcome to Wymondham College Prep School

Wymondham College Prep School is one of only two primary state boarding schools in the UK. We believe that we offer a unique experience for our pupils. Our motto is 'Try hard, Be kind, Be You' and we place emphasis on these three core values in equal measure.

We are ambitious for each and every one of our pupils in the classroom. We put relationships, wellbeing and creating that all important sense of belonging at the heart of what we do so that children's learning can flourish. We believe that all children can thrive if they are nurtured and guided with patience and understanding to love the challenge of learning. We want the children to know and understand that getting things wrong and making mistakes is a vital part of the learning process, whether that's in an academic context or in a social context in the playground or on the sports field.

We are extremely ambitious for each and every one of our pupils, both inside and outside the classroom. We are at an advantage in the way our curriculum benefits from the use of subject specialist teachers from Wymondham College who work with Year 5 and Year 6, as well as making use of the impressive facilities on offer across the College campus. The children's personal development is also central to our holistic education offer, providing a rich and varied programme that runs during and after school.

Our boarding provision for Year 5 & Year 6 pupils adds another special dimension to our learning community. Offering homely, modern accommodation, Underwood Hall is a place where our boarders benefit from all the amenities and facilities Wymondham College provides whilst preparing students for life as secondary school boarders.

Our vision is to foster a community of life-long learners, with children knowing who they are and how they can flourish, having experienced a curriculum connected through local, national, and global perspectives.

I am hugely ambitious, extremely passionate, and very excited about the future of Wymondham College Prep School. My responsibility is to ensure that our aims are met and that our vision exceeds expectations. I encourage you to join us on this journey.

I look forward to meeting you and your child very soon,

Mr. Simon Underhill

For health and safety reasons, children are not permitted to wear earrings for P.E, Games or Dance lessons. Your child's timetable will identify when these lessons take place so that stud earrings can be removed. Members of staff are not permitted to remove earrings. If your child wears stud earrings into school they should be able to remove these or parents are requested to tape their ears before school.			

# Further Uniform Guidance

- Items which are not on the specified Items list may be obtained from any retailer. They must be plain and have no visible logos or trim.
- Ties must always be worn properly with top buttons fastened and shirts and blouses must be tucked in at the waist.
- All school uniform and Sports kit **MUST** be named. Children can become upset as a result of lost clothing, please help us by naming everything.
- Clothing must be clean, neat, tidy and be worn modestly.
- Children's hair must be a natural colour and should be worn in an appropriate style that doesn't interfere with any type of school activity. Hair shoulder length or longer should be tied back with blue hair accessories so that it is off the face.
- Jewellery; wristwatch, 1 plain pair of stud earrings only. Children are required to remove any items during PE, Dance or Games lessons to prevent them from causing injury. Please note: members of staff are not permitted to remove earrings.
- Make up and nail varnish is not to be worn to school.
- Pupils are not required to provide a pencil case, stationary or equipment, unless specific items are requested by the class teacher.
- All pupils must follow the reasonable requests of staff with regard to appearance.
- If a parent/carer has difficulties for any reason with fulfilling the uniform requirements, they are asked to speak confidentially to the Headteacher to discuss the issues they are facing. Parents/carers should be assured that we will do all we can to help.

# The Curriculum in UKS2

Your child will be taught a wide range of subjects in Year 5 and Year 6, with subject specialist teachers deployed where possible:

English	Mathematics	Science
History	Geography	Religious Education
PE	Games	Music
Art & Design	Design and Technology	Computing
French	Personal Social Health Education	

## Enriched Curriculum Activities

Our school's *ECA Enriched Curriculum Activities (ECA) Programme* is a central piece of our 'Prep Life' provision, similar to the College's 'Wyndham Life' offer. As our school grows, we will strive to continue offering a wide range of opportunities and experiences for our pupils to explore and enjoy.

The purpose of our ECA programme is to provide your child with the opportunity to try new things they are curious about or for them to follow their current passions and interests. It is an opportunity for children to further enrich the curriculum they experience in school. It should be a time that they look forward to and can't wait to tell you about on the way home.

It is vital that your child has ownership of which ECAs they would like to do. Our ECA programme is not for the purpose of providing after school childcare. When selecting ECAs with your child, please ensure they are genuinely interested in attending and avoid selecting an ECAs out of convenience. We are trying to make a clear distinction between our After School Wraparound Care and our ECA 'Prep Life' offering.

It is important to remember that school days are long – learning is hard work. An ECA at the end of the day for some children might be a stretch too far and a 3.15pm finish may well be in their best interests.

ECAs are provided by a mixture of internal staff members and external providers. Those provided by an external provider will be paid for activities and you will be required to pay for the ECA in advance of the term starting. We have a reduced offering of a small number of paid ECAs on a Tuesday as this is the evening when staff engage with Professional Learning.

The ECAs run from 3:15pm – 4:00pm during the core part of each term. ECAs do not run for the first and last weeks of the Autumn, Spring & Summer Terms or on the Friday of an Exeat weekend.

The Autumn Term ECA programme will start on Monday 23<sup>rd</sup> September. Details of how to book onto the ECA programme will be shared with you at the start of the Autumn Term.

# Premier Education Wraparound Care

For those working parents who require it, wraparound care is offered by an external company, Premier Education from 7.45-8.30am and 3.15-6pm. Pupils can be booked into this provision whenever parents require it, and this can be from 3:15pm or 4:00pm if they have an ECA. You just book what sessions you require each week. Pupils are transferred from their classroom or ECA to the Wraparound Care provision by a member of staff.

Further details and costs can be obtained from their website: <https://www.premier-education.com/parents/>. Bookings for September 2024 will open in June 2024. You will need to register and then select 'book a course'. Premier Education also run holidays camp dates at school and communications for these camps will be sent via the weekly News Roundup.

## Website, Twitter and Facebook

I wish to draw your attention to our [website](https://www.wymondhamcollegeprepschool.org) (<https://www.wymondhamcollegeprepschool.org>) where you will find a great deal of information that will help you get to know the School in preparation for September. We would be grateful if you could share the contents of the [staff page](#), which will be updated ahead of the new academic year, with your child, as this is a way for you all to begin to familiarise yourselves with some of the people you'll meet this September.

You will also find our school calendar on the website which you can link directly to the calendar on your mobile or you can create a shortcut on your mobile homepage. For more information on how to do this, please contact the school office on [office@wymcolprep.org](mailto:office@wymcolprep.org)

We also have two Twitter pages and a Facebook page that will be used to post updates and share information about the Prep School. If you have Twitter and/or Facebook accounts, then please do follow these as they will be another source that we will share information about the Prep School during your child's time at the school. The relevant Twitter handle is [@WymondhamPrep](#) and our Facebook page is <https://www.facebook.com/WymondhamPrep>

## School Meals

Our meals are cooked on site using fresh ingredients. We offer a Hot School Meal, which we strongly encourage all children to enjoy. You will find a copy of our menu on the school website: <https://www.wymondhamcollegeprepschool.org/1473/school-meals-1>. Pupils are asked to state if they are having a school meal at registration each morning.

Children in Reception to Year 2 receive free meals as part of the Universal Free School Meals scheme. For all other children, there will be a cost of school dinners per meal which must be paid for in advance at the start of each week. You can of course pay for meals further in advance, if preferred. We will share details of how to pay for these at the start of the Autumn Term. Please be aware that we operate a cashless office so payments should be made online only.

If you choose to send your child into school with a packed lunch, please provide a healthy balanced lunch and avoid fizzy drinks and confectionery such as chocolate bars and sweets. We are strictly a NUT FREE school. Packed lunches must not include any products containing nuts, including peanut butter and Nutella due to the **life-threatening risk** to children have a severe allergy. For this reason, pupils are not permitted to swap food items.

Please use the links below to learn more about healthy food in school, healthy packed lunch ideas, the NHS Eatwell guidelines and managing food allergies in school:

## Pupil Premium & Free School Meals

All children in Reception, Year 1 and Year 2 are offered universal free school meals. This is regardless of your household income and you do not need to apply. However, if you receive one of the benefits below, you can apply for the Prep School to receive extra funding from the government; this extra funding is called Pupil Premium:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Registering could raise extra money for the Prep to fund valuable support like extra tuition, additional teaching staff or after school activities. This additional money is available from central government for every child whose parent is receiving one of the benefits listed above.

To check if your child is eligible, please apply online using the link below and then using the green '*Apply for free school meals*' button. All information submitted will be treated in the strictest confidence and will only be used for Local Authority purposes.

<https://www.norfolk.gov.uk/education-and-learning/schools/school-meals-and-milk>.

If you would prefer a hard copy form please contact the school office and we can email a copy to you. For further information about Free School Meals please visit the Norfolk County Council website above.

## Friends of Wymondham College Prep School (FOWCP)

Friends of Wymondham College Prep (FOWCP) is made up of parents, carers, guardians and other community members working closely with the school to raise additional funds. When your child joins the school you automatically become a member.

FOWCP is about much more than simply fundraising. It exists to provide closer links between home and school and it is an excellent way to bring everyone together in support of the school working towards a common goal.

FOWCP invite you to join **Classlist**, a tool they use to communicate with parents and a useful tool for parents to communicate with each other. We encourage you to use Classlist to ask any questions you may have that can be answered by our current parent community. A parent representative of our current YR class will act as an interim contact on Classlist. It also has a second uniform sale area and is the school's preferred method of communication to class WhatsApp groups.

*How does Classlist work?* You can watch a quick 1-minute video tour here:

# Home School Agreement

The welfare of all students and the ultimate success of their education depends upon a strong and mutually supportive relationship between the College, the student and his/her parent(s) or carer(s).

This Home-School Agreement is a reminder of the respective responsibilities of all of us. It is not a legally binding document.

# Health Information

To avoid any unnecessary risks to students, all parents/carers should inform the Prep School, via the school office, of any specific medical needs of the pupils e.g. allergies, asthma, migraine etc.

If a pupil feels unwell while at school, they should speak to their teacher if in class, or supervising member of staff if not in class. They will be looked after in school and be assessed by a paediatric first aider. The trained paediatric first aider will assess the child and if it is decided that the child is too unwell for school the parents/carers will be contacted to collect them.

Medicines should only be administered at school when it would be detrimental to a child's health or school attendance not to do so (as per Supporting Pupils at School with Medical Conditions DofE 2014)

The Prep School does not generally give medication to day pupils. However, if required (e.g. for a course of antibiotics or other chronic condition), arrangements can be made. A 'Consent to Treatment' needs to be completed and the appropriate medication bought into the Prep School. The medication provided must be in the original container and include the instructions for administration and dosage.

First aid and/or emergency treatment will, of course be given. In the case of an accident the parents will be informed by the Prep School.

Further information can be found in the First Aid Policies section of our website:

<https://www.wymondhamcollegeprepschool.org/1460/key-policies/category/65/first-aid>

Please find below the Privacy Notice for pupils in schools, early years settings, alternative provision and pupil referral units.

## Privacy Notice - Data Protection Act 2018

Sapientia Education Trust is the Data Controller for the purposes of the Data Protection Act, and Wymondham College Prep School is a school within the Sapientia Education Trust. We collect information from you, and may receive information about you, from your previous school and the Learning Records Service. We hold this personal data and use it to:

- Support its pupils teaching and learning
- Monitor and report on their progress
- Provide appropriate pastoral care
- Assess how well the school as a whole is doing.

This data includes your contact details, national curriculum assessment results, attendance information, characteristics such as ethnic group, special educational needs and any relevant medical information. *If you are enrolling for post 14 qualifications, we will be provided with your unique learner number (ULN) by the Learning Records Service and may also obtain from them details of any learning or qualifications you have undertaken.*

This data may only be used or passed on for specific purposes as allowed by law. From time to time the school is required to pass on some of this data to local authorities, the Department for Education (DfE), and to agencies that are prescribed by law. All these are data controllers in respect of the data they receive and are subject to the same legal constraints in how they deal with the data.

Pupils, as data subjects, have certain rights under the Data Protection Act, including a general right to be given access to personal data held about them by any data controller. The presumption is that by the age of 12 a child has sufficient maturity to understand their rights and to make an access request themselves if they wish. A parent would normally be expected to make a request on a child's behalf if the child is younger.

## Wymondham College Prep School Instrumental Lessons Request Form

Through our relationship with the College, we are able to offer individual instrumental lessons and singing lessons, subject to teacher availability, with highly trained and professional peripatetic music teachers. The chosen instrument should be suitable for the child's age and physical size and parents are responsible for providing this.

At present, lessons cost £195.00 for ten half hour lessons. Lessons take place during curriculum time but are worked on a rota basis so that pupils don't miss the same lesson each week. If you would like to request individual music lessons for your son, or daughter when they attend the Prep School, please complete the form below.

**Once you have requested lessons you will be liable for a termly fee. If notice is then given prior to taking up the lessons, a half term fee will be charged. If lessons have already commenced, written cancellation must be submitted at least six weeks before the end of term and the full fee will be due for that course of lessons.**
