News Roundup

Week 5 Spring Term 2025

Our week

It's been an epic week - especially Year 5 and Year 6 who embarked on their 'Young Voices 2025' expedition to the O2 in London on Tuesday. It is a very long day but as confirmed by all the children the day after, "It's so worth it!" The children did WCPS proud, singing their hearts out and bopping their way through song after song in a packed O2. It is the largest children's choir in the world, just short of 9000 children! It's an experience that for the overwhelming majority of us will never be replicated and an unforgettable experience. Thank you parents for supporting this trip and a huge thank you to the staff team who went, giving up so much of their own time. Year 4 this week were full of smiles - purple smiles! They had a brilliant time in their 'Healthy Smiles' workshop learning about the best type of oral health.

We ended the week with a school full of numbers, supporting the NSPCC's number day. There were some fantastic one of maths activities buzzing through the corridors. Our five House Captains and friends did a fantastic job this week delivering a House Assembly at the end of yesterday where Reception - Year 6 children got together. It's a close fought race this term for the House Cup! And in the blink of an eye, the half term is nearly over with lots to look forward to next week.

News Roundup

Week 5 Spring Term 2025

Reception Rabbits & Robins

We have had another fun and busy week. We have finished learning all of our new sounds in Phonics! The last few will be coming home in their packs along with this week's tricky words - air, er, are, sure, pure. Please continue to practise these regularly until your child is really secure with them all and it is then worth revisiting them periodically. We had our wonderful Africa morning with Mrs Hindle on Tuesday where the children learnt lots of facts, got to handle lots of interesting objects, learnt some songs and tasted 'mandazi'. On Thursday we walked to the college library for a lovely storytelling session with their librarian. In the afternoon some Year 6s did a fantastic presentation on Africa to to the children. And then we finished the week with Number Day and celebrated all the hard work the children have been putting in on Numbots.

Year 1 Otters & Seals

This week it is 'National Storytelling Week'. To mark the occasion, Year 1 were invited to visit the Wymondham College library and meet Miss Kent, the librarian. We enjoyed a fantastic session, learning about what libraries are for and why they are a special feature of local communities. Miss Kent read us a story (about a mouse author) and was impressed by the children's creativity in the verbal storytelling activity. In art this week we have continued to make progress on our collaborative minibeast collage project. We have worked on subtraction within 20 in maths and learned about the exploring heroine Amy Johnson in our humanities session. The children were interested (and shocked) to learn of how life was different for women in Amy's time and why her achievements therefore made her quite so special.

Week 5 Spring Term 2025

Year 2 Badgers & Foxes

This week in Year 2, we have been busy developing our writing skills by learning how to create interesting and effective instructions. We are excited to put this into practice next week when we write our own instructions for making a homemade bird feeder! In maths, we have started our new topic on multiplication and division, exploring how grouping numbers helps us understand multiplication as repeated addition. In art, we have had great fun searching for sticks that resemble people with arms and legs to create our own unique worry dolls. It's been another creative and engaging week of learning!

Year 3 Dragonflies & Bumblebees

This week we have been learning about measurements in Maths, converting mm to cm and solving word problems using column addition and subtraction. We enjoyed using tape measures to measure each other and our teachers!

We finalised our designated for our Roman purses, ready to start sewing next week. We discussed who our end user would be and explored the types of stitching we would use to make our purse strong and durable.

In English we really loved writing our own version of the 'Marshmallow' and the writing we produced really created suspense and atmosphere! Well done Year 3!

Week 5 Spring Term 2025

Year 4 Eagles & Owls

Another fun filled week for Year 4! This week started with a very special visit from Happy Smiles Dentist in Norfolk to support us in science learning about teeth. The children learnt a lot from our visitor, Dani, who showed them how to properly look after their teeth and how to brush them correctly. She also shared some top tips on which foods to eat to keep our teeth healthy! The children were very engaged and fascinated all session, particularly when they were given the opportunity to use a disclosing tablet to show where they needed to brush more. This caused all sorts of laughs and giggles when the children realised how blue their mouths had become! During the rest of the week, we have been continuing to learn about the Anglo Saxons, particularly focusing on their farmer heritage this week and why they chose not to move into the Roman cities left behind. In maths, we have started our unit on length and measurement and in reading, we have been following the many adventures of an incredible rabbit in the story 'The Miraculous Journey of Edward Tulane'.

Year 5 Emperors & Royals

It has been another fantastic week for Year 5! We had the BEST time at the O2 on Tuesday. It really was the best Tuesday night we have ever had! In other areas of learning we have started a new topic in English called the The Malfeasance by Alan Bold. During science we have created our own pictogram and research question which we have then investigated during Woodland Wonder. In computing this week we have used the crumble kits and connected circuits together.

Week 5 Spring Term 2025

Year 6 Lions & Jaguars

We had the best time at Young Voices - the children were so brilliant and represented our school fantastically.

The children have worked really hard at learning the songs and dance moves and we're sad that it's over!

In English, we've finished writing our stories based on the Arrival and are now in the process of writing diary entries.

We're making brilliant progress on our DT stuffed toys and have been very resilient with our sewing skills.

Underwood Hall

It has been something of an unorthodox week this week what with the O2 trip on Tuesday, a lie in and a late start on Wednesday morning and our Spring Term Taster Evening happening tonight for boarders who might be joining our boarding community in the near future. We always look to welcoming visitors and guests to Underwood and the boarders are always such wonderful hosts making them always feel so welcome. After that we have our weekend trip to look forward to at the Start Studio in Wymondham. Enjoy your weekends everyone

News Roundup

Week 5 Spring Term 2025

Heads of School

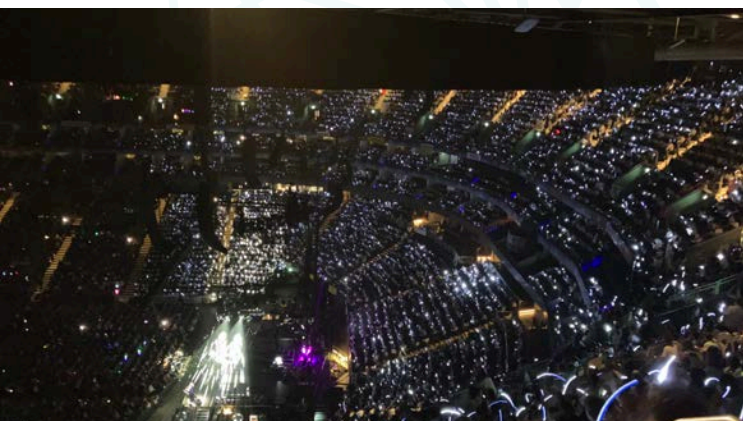

Hello Everybody. This week we went to the O2 to participate in the Young Voices event. I think that everybody did well, and we all had a great time. It was amazing to hear so many children singing together and it was a once in a lifetime event (except for Year 5's who will luckily get to go again next year!). I hope that everyone managed to catch up with their sleep after the late night. This week in school Reception had an African day where they got to experience African food and culture. They also went to the college to visit the library and enjoyed a story and some role play. I hope everyone has an amazing weekend.

Hugo - Head of School

Heads of Underwood

Hello everybody. I hope you had a great week. This week in Underwood Hall we were all happy and excited for the O2 trip but were very tired after it. Everyone had a really great experience, it was great to go to London, see the O2 and perform to a large crowd. After the morning of the O2 we were allowed to sleep in until 9:30 and then watched a movie and had breakfast before going in to school. It was a long day, and we were happy to get an early night. This evening is a boarder taster evening, where children and parents come and explore and experience what its like to be a boarder here. The children that are here on the weekend will be greeting them and showing them around Underwood Hall. I hope that the boarders all enjoyed watching 'Gravity Falls' on Wednesday, we have more to watch next week. This week we have also been making sock monkeys before toast time and they all look amazing. To make them you take a sock, cut it and stuff it and then sew it. We really enjoyed making them. Thanks for listening. Gilbert Head of Underwood.

Calendar - Wymondham College Prep School

Tuesday 4th February 2025

Dear Parents / Carers,

Whole School Attendance

Many of you will know from the Weekly Roundup, we are fortunate that our attendance figures are exceptionally good. Last academic year our average attendance was 96.66%. We thought it might be useful to write to you at the very start of the year just to ensure that you know how we monitor attendance, what we do when attendance drops below a certain level, and what we will do to support and intervene along the way.

It goes without saying that good attendance is crucial to every child's progress within their education and children of school age are legally bound to be in education every day unless ill. As such, we monitor our pupil's attendance regularly. Good school attendance at school is categorised as attending 96% and above, and where a pupil's attendance falls below this level we will work with parents and carers to improve this. This is something that we are required to do by the Department for Education and by Norfolk County Council. We appreciate that there may well be occasions when you have absolutely no other option other than to keep your child off school. Whenever we have cause to work with parents and carers to address issues around attendance, we will make every effort to ensure that it is done in a constructive and meaningful way and it is hoped that any communications that you receive from us about attendance, good or bad, will be taken in this way.

Pupils are considered a *persistent absentee* when they miss 10% or more of schooling across the year (for any reason). Pupils are considered a *serious absentee* when they miss 50% or more of schooling across the year. When a child's attendance falls below 96% we will look in to the reasons why this is in order that we can identify the barriers to their attendance and provide the necessary support. Action taken includes but is not limited to; parents receiving warning and information letters, parents being asked to attend a meeting in school, the involvement of the Norfolk County Council's Attendance and Entitlement Officer, being referred to an Attendance Panel, Fixed Penalty Notices (in line with Norfolk County Council guidance which we have attached below) and eventually things could lead to court proceedings. Please note that when we are deciding whether or not to issue Fixed Penalty Notices, we may require parents to provide us with proof of travel. We will of course also let you know when your child's attendance is exceptionally good, and we consider it just as important to share this information with you!

Our pupils' welfare is of paramount importance to us, and we believe that regular attendance throughout the year is essential for their success and fulfilment. We want to make sure that we can support every child's education in the best way possible, including looking into how we can help them to address any gaps in learning due to absence. We acknowledge that each family's circumstances are different, and we aim to work with parents to provide the best education for every child.

Try Hard, Be Kind, Be You

Whilst we appreciate that children will be unwell and may sometimes need to stay off school as a result, we are hoping that when we have reason to highlight your child's attendance, this gives you an opportunity to improve their attendance by avoiding any avoidable unauthorised leave (such as holidays or day trips in term time), by minimising/reducing time taken off school for illness, where appropriate, and for any other reason.

Please be reminded that as a school, it is our policy not to authorise holidays in term time, except in exceptional circumstances, due to the impact these absences have on a pupils' social interaction with their peers and their academic achievement. There are 175 non-school days in the school year for holidays to be taken.

In addition to this information, please see below which is taken from the document '*Norfolk County Council: Penalty Notices regarding school absence - Guidance for parents*'. This can also be found on the Norfolk County Council website:

Regular school attendance and parent's legal responsibilities

This guidance is to remind all parents about the law that requires them to ensure that their child attends school regularly. The Government is clear that no child should miss school apart from in exceptional circumstances and schools must take steps to reduce absence to support children's attainment.

The important legal information – New from August 19th, 2024

The Government have introduced a single national threshold for when a penalty notice must be considered by all schools in England. This threshold is **10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period**. These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence. The period of 10 school weeks can span different terms or school years.

In line with national guidance, the Local Authority (LA) retains the discretion to issue a penalty notice before the threshold is met. This might apply for example, where parents have taken several term time holidays below the national threshold. The LA also retains the discretion to consider going straight to prosecution where appropriate.

A maximum of 2 penalty notices per parent, per child can be issued within a rolling 3-year period. This period will start from the issue of the 1st penalty notice. The national framework also sets out the escalation process which applies to such penalty notices. If the national threshold is met for a third time (or subsequent times) within 3 years, another tool should be used. In Norfolk, where a pupil's attendance has met the national threshold for a third time within 3 years and the parent/s have already been issued with 2 penalty notices within that period, consideration will be given to prosecution under section 444 of the Education Act 1996, which can result in a criminal conviction and fine of up to £2,500.

Try Hard, Be Kind, Be You

Golf Links Road, Wymondham, Norfolk, NR18 9SZ
01953 609000
01953 603313
enquiries@wymondhamcollegeprepschool.org
www.wymondhamcollegeprepschool.org

A parent includes any person who is not a natural parent but who has parental responsibility for the child or who has care of the child, as set out in section 576 of the Education Act 1996. Penalty notices will usually be issued to the parent/s with day-to-day responsibility for the child's attendance or the parent/s who have allowed the absence (regardless of which parent has applied for a leave of absence).

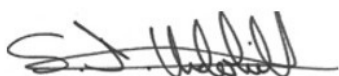

The first penalty notice issued to a parent for a child will be charged at £160 to be paid within 28 days. This will be reduced to £80 if paid within 21 days. Where it is deemed appropriate to issue a second penalty notice, the second penalty notice to the same parent for the same child within 3 years of the first offence, is charged at a flat rate of £160 and is payable within 28 days. **There is no reduced sum available in this instance.**

Part payments or payment plans are not acceptable, and fines must be paid in full within 21 or 28 days, at the rate specified within the penalty notice. There is no right of appeal against a penalty notice.

Requests for leave of absence

'Working together to improve school attendance' (Department for Education, August 2024) advises all schools that they should only grant a leave of absence during term time in exceptional circumstances, considering each request on a case-by-case basis. If a leave of absence is granted, it is for the headteacher to determine the length of time the pupil can be away from school. Although we recognise the value and benefits of family holidays, it is unlikely a leave of absence will be granted for a family holiday as the Government 'does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.' Requests for leave must be made in advance, otherwise schools will be unable to consider your individual circumstances, and the absence will be recorded as unauthorised. Headteachers are not obligated to reconsider authorising leave if an application was not made in advance.

Yours faithfully

Mr. Simon Underhill
Headteacher
