Week 1 Spring Term 2026

Our week

Welcome back everyone! I hope you've had a brilliant Christmas break. The children have come back full of beans and raring to go! The New Year brings with it a renewed focus on setting goals - something that all children across the school have been challenged to think about.

Lots of classes have collaborated on deciding what their New Years resolution is. When I taught Reception Rabbits Class this week, I was left stunned seeing the children's resolve to carry out their new year's resolution to be quieter and quicker at tidying up! Miss. Sharp would like to thank the whole community for its gargantuan effort in it's collection of 'Art Tokens' out of EDP Newspapers - we heard today that we have been awarded a £100 voucher towards new art resources for the school. Thank you

everyone for your support with this venture.

Our Spring Term ECA programme which is bigger and I believe even better starts next week. Please take a look and read this about our **ECA Programme**

The week ended with our Y5 and Y6 pupils giving their parents a taster of their performance at the O2 next week as part of 'Young Voices'. The perfect end to the week.

FLEXI BOARDING IN UNDERWOOD HALL

NOW ONLY £75 PER NIGHT
(£30 ADMIN FEE ON YOUR FIRST BOOKING ONLY)

We are now offering 'flexi-boarding' to day pupils in Years 5 or Year 6 allowing them the opportunity to board on a flexible basis. The cost of flexi-boarding is **£75 per night** and will include the cost of dinner, breakfast, accommodation and all activities in Underwood Hall.

If you wish to book for your child to flexi board then please click on the link below. Alternatively you can email the school office or Mr. Timmins who will then be in touch with you with further information which will include drop off / collection arrangements, afternoon and evening schedules, and instructions on how payment is to be made.

Please note that there is an annual limit of 45 nights' accommodation per pupil per academic year. If you would like to enquire further about flexi-boarding then please do not hesitate to email Mr Timmins at j.timmins@wymcolprep.org.

SUPPORTING FAMILIES, SCHOOLS AND COMMUNITIES

Your school is part of a national programme dedicated to supporting those with neurodevelopmental needs in mainstream education called PINS.

PINS stands for Partnership for Inclusion of Neurodiversity in Schools and is a programme delivered by the Department for Education and NHS England.

As part of this work, members from the PINS team will be hosting parent carer information sessions to support meaningful engagement with school communities.

These sessions will provide a safe, welcoming space for families to share their experiences of navigating neurodevelopmental differences in education, and to explore practical ways of working effectively with schools.

Colleagues from Family Action will facilitate these sessions, joined by professionals from the health and care system, ensuring families and the wider school community can connect with professionals working across neurodevelopmental services and SEND. Their expertise will provide valuable guidance, signposting, and tailored advice.

Insights from families shared in these sessions will directly shape the development of training and resources for schools across Norfolk, helping them to better understand and meet the needs of children and young people.

YOU ARE INVITED!

Please find below the details of the information session being held at your federation. Please come and share your experiences and offer valuable feedback so that together, we can create meaningful change for children, families, and the school community.
