Week 10 Summer Term 2025

Our week

What a week! It's hard to believe how much we've achieved this week with such a variety of things going on. It was wonderful welcoming the parents of our new Reception cohort on Monday night where they got to learn more about our school and Early Years setting. Year 5 & Year 6 trod the boards showcasing the most incredible production - honestly the best I've ever seen! Every single Year 6 pupil performed with unbridled confidence. The dancing was something special too; if anything showcased our PE curriculum and the development of children's physical literacy it was the dancing! Perfect synchronicity and coordination! Our EYFS team also welcomed each individual family into school this week ready for their transition day into school. On Thursday evening it was lovely welcoming the children and parents of our new boarders in Underwood Hall. All of this was leading to Friday's *Transition Day*.

The children (and staff) embraced change with enthusiasm and courage stepping into the classes and cohorts for next academic year. There was such a positive atmosphere in school. Our hard work in having extensive transition meetings between teachers and learning as much about each and every child as possible enabled everyone to have a great day.

Our Reception and Year 1 children finished the week showcasing their amazing singing at the College's Summer Gala Festival. What a week!

Week 10 Summer Term 2025

Reception Rabbits & Robins

We have had another action packed week. The children have enjoyed spending lots of time with their new teachers, in their own classes but also for the first transition morning. They also loved watching the Year 6 production on Monday. On Friday afternoon we took a walk up to the College Gala and performed our minibeast songs for them. We have finished off our 'Snail and the Whale' unit in English, as well as their letter formation assessments. In Maths we have continued to learn about different shapes. In Topic we have been learning the names and locations of the different oceans.

Year 1 Otters & Seals

A highlight of the week for Year 1 was being invited to watch the Year 5 & 6 production. The children were so excited about the performance and certainly inspired by the amazing singing, dancing and acting. They were keen to create some of their own shows during provision time! On Friday, it was our own turn to sing our hearts out over at Wymondham College alongside the Reception classes, which was a real treat. It was a joy to hear some familiar minibeast and 'Billy No Buzz' tunes. In class, the children have worked hard to show what they know in our end of term quizzes. Year 1 have demonstrated perseverance and determination in giving these their best go! Miss Taylor and Miss Sharp are so proud. Finally, on Friday there was excitement in the air as the children had their first taste of Year 2 life over in the Foxes and Badgers classrooms. Miss Rix and Mr Keeler had a blast getting to know their new classes.

Week 10 Summer Term 2025

Year 2 Badgers & Foxes

What a busy and exciting week it's been in Year 2! We absolutely loved watching the Year 6 performance - it was full of energy and talent, and really inspired us. We've been busy planning our own delicious vegetable kebabs, thinking carefully about healthy ingredients and balanced meal choices. Our discussions about healthy eating have helped us understand how to make smart food choices for our bodies. We also had a fantastic time during our Year 3 transition morning - getting a sneak peek of life 'upstairs' and meeting some of the new adults we'll be working with next year!

Year 3 Dragonflies & Bumblebees

Year 3 have had a fantastic week full of fun and learning! One of the highlights was our transition morning in Year 4, where the children enjoyed exploring their new classroom environment and meeting their future teacher. It was a great opportunity to build excitement and ease any nerves about the year ahead. In D&T, we've been busy designing out very own kites. The children have been thoughtful and creative in choosing their materials, and we're all looking forward to bringing those designs to life next week! It's also 'Quiz Time' with everyone showing determination and such positivity to do their best!

Week 10 Summer Term 2025

Year 4 Eagles & Owls

Year 4 have worked so incredibly hard on their quizzes this week and we are so proud of their determination and perseverance in showcasing all that they have learnt in Year 4! After completing our quizzes in the mornings this week, we have been getting very creative in our afternoon lessons. In Science, we created some food chain art as part of our recap and revise unit on living things. In art, we have carried on our learning about pattern by practicing the print design we are going to put on our t-shirt. We have also had two big highlights of the week: seeing the amazing hard-work of the Year 5 and 6s in their dress rehearsal of Robin Hood and also travelling up to Year 5 to meet our new teachers! What a week we have had!

Year 5 Emperors & Royals

It has been another great week for Year 5! They have been working extremely hard in English with regards to planning and writing their independent write. A highlight this week has been performing in the Year 5 and 6 performance! We are so proud of Year 5s efforts and how they contributed greatly to the volume in the songs and positive energy in the hall! Also this week, in DT we have been making our carousels! We have been designing and creating our circuits so that our carousels can now turn- how awesome! We have also travelled up to Year 6 to meet our new teachers, what a jam packed week we have had!

Week 10 Summer Term 2025

Year 6 Lions & Jaguars

Year 6 this week you have shown the world what a talented bunch of children you are! Your show was absolutely amazing, bringing tears of joy to all! We have also managed to fit some learning in this week, becoming historians developing our knowledge of the ancient Greeks through examining evidence to decide if the Story of Troy is a myth, fact or legend. Science we have been considering how exercise affects our heart rate and designing an exercise plan.

Underwood Hall

What a busy week it has been for our boarders! We had the most amazing time at Gorleston Beach on Sunday. The children loved jumping the waves and burying each other in the sand. On Monday morning we started our new breakfast trial which has seen us heading over to the college refectory to have breakfast with the high school children. Year 5 and 6 put all their energy into fantastic performances of the school play. It was lovely to see many of the boarding parents come along. We witnessed some real stand out comedy performances from our boarders, their hard work really paid off. Our boarders continue to make us so proud as they navigate the busy schedule with a warm and welcoming smile.

NEW

WEEKLY PUZZLE PAGE

Think you have what it takes to win the PRESTIGIOUS and VERY official bragging rights to the FOWCP weekly riddle PLUS a mystery prize?

What is the word?

What do you need to do?

 Find the answer to either puzzle 1 or puzzle 2 (or both!)

 Email your answer to alexplatt89@gmail.com

All correct answers will be entered into a random draw and the winners will be announced in the next RoundUp!

Puzzle 1:

Summer Scramble

Can you unscramble these summer related words?

- CEI CEMRA
- HADOLIY
- SNUIEHNS
- PLFSLIOPF
- CHEBA
- MINGSIWM

Puzzle 2 :

Summer Emojis

Can you find the hidden summer activities from the emojis below:

- 1)  
- 2)  
- 3)  
- 4)  
- 5)  
- 6)
