Week 11 Spring Term 2026

Our week

The last week of the Spring Term certainly ended in a blaze of glory with so much going on in! The House Art competition has sent a buzz around the school - take a look at p.3 for some holiday creativity. And the launch of our OPAL *Loose Parts* drive has had an amazing reaction from all corners of our community. Thank you to everyone who has got in touch offering things and to those of you coming in to help on **Tuesday 31st March** and **Thursday 2nd April** to transform the school site.

The FoWCP have been incredible in supporting our OPAL project. The foundational work we did together creating a vision for an *Adventure Play Garden* led us to OPAL, realising that we needed something like this in order to create a sustainable vision for play and also to create spaces around the school site that offered something for 4 year olds to 11 year olds. We will be holding OPAL Parent Workshops and even inviting you in for a 'Playdate' when we're ready! PLEASE keep the *Loose Parts* coming in!

Key Stage 1 lit up the Hall this week with their amazing production! Thank you parents again for your support with costumes and helping your child learn songs and lines. The children were incredible - I could hear every single word!

We were treated too to an impromptu 'Wicked' performance from a Musical Theatre ECA this week, led by the brilliant Mrs. Atere who we sadly say goodbye to this week as she moved onto new, exciting opportunities.

On Wednesday morning, we joined thousands of children around the world for *National Sing Up Day*, performing a song that will form part of a Digi-Choir video that we'll see in the Autumn.

The week ended with wonderful Personal Growth Celebration assemblies and a Whole School Assembly where Cavell was announced as this term's House Champions! Have a wonderful Easter break everyone!

Week 11 Spring Term 2026

FLEXI BOARDING IN UNDERWOOD HALL

NOW ONLY £75 PER NIGHT
(£30 ADMIN FEE ON YOUR FIRST BOOKING ONLY)

We are now offering 'flexi-boarding' to day pupils in Years 5 or Year 6 allowing them the opportunity to board on a flexible basis. The cost of flexi-boarding is £75 per night and will include the cost of dinner, breakfast, accommodation and all activities in Underwood Hall.

If you wish to book for your child to flexi board then please click on the link below. Alternatively you can email the school office or Mr. Timmins who will then be in touch with you with further information which will include drop off / collection arrangements, afternoon and evening schedules, and instructions on how payment is to be made.

Please note that there is an annual limit of 45 nights' accommodation per pupil per academic year. If you would like to enquire further about flexi-boarding then please do not hesitate to email Mr Timmins at j.timmins@wymcolprep.org.

Week 11 Spring Term 2026

Reception Rabbits & Robins

We have loved watching all of the children in Reception learn and grow over this Spring Term. They should all be very proud of their hard work at school and the effort they put into their work. This week we have finished off our Pigs Might Fly story in English, we are looking forward to more whole class writing after Easter so do keep up the practice! In phonics we have completed all of our Phase 3 phonics learning and will be starting Phase 4 when we are back at school. Rabbits and Robins have become increasingly confident at blending longer words, chunking and recognising tricky words. In Maths we have focused on doubles and even & odd numbers, developing our reasoning skills by proving how we know something is true. Our theme this week has been the Easter story and traditions that some people do to celebrate this Christian festival. Hopefully you all have a sunny, joyful Easter break!

Year 1 Otters & Seals

It's been a wonderful Spring Term for the Year 1 children and Thursday's Personal Growth Celebration was a great opportunity for us to look back and celebrate progress! Of course the highlight of the week had to be the KS1 performance of There's a Sunflower In My Supper. We really hope that you enjoyed the show - the children have participated with enthusiasm throughout all of the rehearsals and performances. Of course we couldn't do it without your support and are so grateful for the wonderful costumes supplied by families, thank you. The children have now taken home their sunflower seedlings that we have been growing in science. We'd love to see some pictures of them in full bloom when the time comes! Have a lovely Easter break

Week 11 Spring Term 2026

Year 2 Badgers & Foxes

This week, our Year 2 children delighted us all with their wonderful performance of Sunflower in My Supper! The children worked incredibly hard to learn their lines, songs, and actions, and their confidence on stage truly shone. From the lively singing to the expressive acting, every child played an important role in making the performance such a success. We were especially proud of how clearly the children spoke, how beautifully they sang, and how well they supported one another throughout. Their teamwork and positive energy made the show a joy to watch. Thank you to all families for your support in helping children practise at home, and for providing costumes—it made a big difference. A big well done to our talented Year 2 performers—you should all feel very proud! We hope you enjoyed the show as much as we did!

Year 3 Dragonflies & Bumblebees

Year 3 have had a wonderful week full of creativity and learning. In maths, we explored mass, reading scales carefully in grams and kilograms and applying our knowledge of counting intervals on number lines. In English, the children produced some fantastic independent writing, creating their own imaginative school flood stories. We were delighted to watch the KS1 performance and loved joining in with the whole-school 'Sing Up' event - the song was such fun! In art, we took inspiration from Gaudi, creating colourful mosaic-style pieces using small paper cuttings and hole-punched shapes. The children showed enthusiasm, teamwork, and pride in achievements this week.

Week 11 Spring Term 2026

Year 4 Eagles & Owls

Wow, what a final week before Easter! The children have worked so hard on finishing lots of units of work. In English, we finished writing our own Norse Tales about an unlikely hero who seeks help from a God/Goddess. In Art, we have continued the Viking theme and finished painting our clay sculptures of warriors. And in History, we completed our unit about invading and settling by discovering why King Arthur was given the title 'Great'. We hope you all have a lovely and well rested Easter. We have sent the children home with their lines for our production, please spend some time learning these. Enjoy!

Year 5 Kings, Emperors & Royals

It has been a great final week of term for year 5! We loved our Sing Up performance on Wednesday! We have created a 'double page spread' of all of our learning in Science looking at all things forces! In English we have finished our independent writes, our stories are awesome! In Art we have been moulding and painting our Mayan inspired objects! They look fantastic- if the pots find a space in your home we would love to see a photo! Thank you Year 5 for all your hard work this term, we have seen so much progress. We wish you all a wonderful Easter Break!

Week 11 Spring Term 2026

Year 6 Lions & Jaguars

We have come to the end of an incredibly busy Spring term in Year 6 and the children have worked incredibly hard, continuing going from strength to strength! We are so proud of them and their dedication to progress both personally and academically. We hope they have a really restful but also exciting Easter holidays - it is well deserved!

This final week of term has been full of excitement around our DT project, making a Victorian game in small groups to share with others. In English, we have also finished our spooky stories this week and we enjoyed reading these out loud to our peers. We have also started discussions about our residential which we can't wait for - we hope the information meeting was useful for all parents and carers. Thank you for all your support!

Underwood Hall

Well where on earth have the last few weeks gone? Having begun the term with thoughts of building snowmen, we finish the term feeling positively spring like. We joined the College on Sunday for an afternoon of fun and games and face painting. On Monday we enjoyed another entertaining edition of Underwood's Got Talent. In amongst packing ready for the Easter holidays we still managed a trip to McDonalds as our end of term treat on Thursday where we celebrated our termly award winners! I hope that you all have a wonderful Easter holiday wherever it may take you and we're already looking forward to the summer term - the best term to be a boarder. Take care everyone!
