News Roundup

Week 5 Spring Term 2026

Our week

The week began with a selection of Year 5/6 pupils to compete in a Football event at 'The Nest'. The children showed fantastic sportsmanship and were a credit to the school in supporting each other and the players in other teams.

The weather the last couple of weeks has been very, very wet. PLEASE ensure your child wears a coat to school every day as for the good of the children, we're trying to get them outside as much as possible - even in the wet.

A huge thank you to the parent volunteers and staff teams in Year 1 and Year 3 this week for supporting the year group trips to Banham Zoo and Norwich Castle. The children had a wonderful time, returning to school buzzing and eager to share what they saw, experienced and learnt.

Thank you to the 61 parents who have filled in our baseline OPAL survey about the children's play:

<https://forms.gle/hAC9SW5FCasKG9Wr6>

As explained, this will help us as we start

our two year journey in developing the school site and the children's playtime.

Thank you too to 135 parents who have completed our annual feedback survey.

If you have not yet done this, please take a few minutes to complete the following: **Parent Views Survey 2026**

If there are things you'd like to find out about, challenge or suggest, please let your Class Rep know as we are getting together next week for our Half Termly meeting before the holiday. Where has this this half term gone!

Week 5 Spring Term 2026

FLEXI BOARDING IN UNDERWOOD HALL

NOW ONLY £75 PER NIGHT
(£30 ADMIN FEE ON YOUR FIRST BOOKING ONLY)

We are now offering 'flexi-boarding' to day pupils in Years 5 or Year 6 allowing them the opportunity to board on a flexible basis. The cost of flexi-boarding is £75 per night and will include the cost of dinner, breakfast, accommodation and all activities in Underwood Hall.

If you wish to book for your child to flexi board then please click on the link below. Alternatively you can email the school office or Mr. Timmins who will then be in touch with you with further information which will include drop off / collection arrangements, afternoon and evening schedules, and instructions on how payment is to be made.

Please note that there is an annual limit of 45 nights' accommodation per pupil per academic year. If you would like to enquire further about flexi-boarding then please do not hesitate to email Mr Timmins at j.timmins@wymcolprep.org.

Week 5 Spring Term 2026

Reception Rabbits & Robins

We have enjoyed concluding our learning about what it is like to live in different countries in Africa. This week we have looked at what the culture is like in different countries in Africa and how people like to live. In phonics we have been learning how to read longer words by chunking and spotting familiar digraphs and trigraphs before reading words. We will be completing our phonics assessments next week to see the progress the Rabbits and Robins have made. In English we have had some fantastic sentence writing. We have been encouraging the children to check their sentences for the basics before saying 'I'm done!'. In maths, we have looked at numbers 6,7,8 - how they can be composed, represented and compared. In PE, we enjoyed learning about 'stance' and how we can balance and move on the balls of our feet. On Friday we loved celebrating NSPCC Number Day and it was great to see all of the brilliant number accessories!

Year 1 Otters & Seals

It was a bit wet and rather chilly on Thursday but even so, Year 1 had a great time visiting Banham Zoo! We enjoyed seeing the animals who were willing to brave the conditions including catching a glimpse of the tiger, seeing the giraffes up close (indoors!) and joining the Wallaby's in the walkthrough enclosure. Otter class were particularly pleased to see some real life otters and hear their squeaks. During our workshop, we learned more about animal diets, impressing the zookeeper with our knowledge of carnivores, herbivores and omnivores. We were lucky to see some animal skulls and examined their teeth to look for clues about what type of diet they had. As part of the session, we met (up close!) some special zoo inhabitants: Charlie the hissing cockroach and Sally the stick insect. We were fascinated!

Week 5 Spring Term 2026

Year 2 Badgers & Foxes

It's been a busy and exciting time in Year 2! In Science, children explored microhabitats by matching animals to where they live and comparing the icy worlds of Antarctica and the Arctic. They also completed an independent piece of writing to share what they had learned about micro habitats. In Maths, pupils have been sharing objects and beginning to divide numbers. PE lessons have been a big hit, with lots of enthusiasm for gymnastics as the children used the large equipment and discovered different ways to move across and around it. In Art, they are adding the finishing touches to their worry dolls, showing great creativity.

Year 3 Dragonflies & Bumblebees

This week, Year 3 had an exciting trip to Norwich Castle for our Roman Day! We had a fantastic time learning how to fight like Roman soldiers and exploring real Roman and Iceni artefacts. We even met characters from the past, as well as an archaeologist and a curator, who taught us many interesting facts. In Maths, we have been learning how to divide two-digit numbers by a one-digit number and finished the week by solving challenging word problems. In English, we began learning about journalism and explored the features of a newspaper report.

Week 5 Spring Term 2026

Year 4 Eagles & Owls

This week started with a very special visit from Happy Smiles Dentist in Norfolk to support us in science learning about teeth. The children learnt a lot from our visitor, Dani, who showed them how to properly look after their teeth and how to brush them correctly. She also shared some top tips on which foods to eat to keep our teeth healthy! The children were very engaged and fascinated all session, particularly when they were given the opportunity to use a disclosing tablet to show where they needed to brush more. This caused all sorts of laughs and giggles when the children realised how blue their mouths had become! We have been continuing to learn about the Anglo Saxons, particularly focusing on their farmer heritage and why they chose not to move into the Roman cities left behind. In Maths, we have started our unit on length and measurement and in reading, we have been following the many adventures of an incredible rabbit in the story 'The Miraculous Journey of Edward Tulane'.

Year 5 Kings, Emperors & Royals

It has been another great week for Year 5! In Science we have been learning about all things life cycles! We have investigated the life cycles of some of the key groups of animals for example; fish, amphibians and reptiles! In Geography, we have been exploring the different layers of the rainforest and understanding what convectional rainfall is and why it occurs in rainforests! In English we have begun our new unit called the Malfeasance- we can't wait to get stuck into a little bit of poetry! TTRS competition was super fun on Friday too! Everyone gave it a their absolute best, well done Year 5!

Week 5 Spring Term 2026

Year 6 Lions & Jaguars

Another busy week in Year 6 has flown by! We started the week with an immersive experience day to kick start our writing about the book *Other Words for Home*. This book is narrated by a Syrian child called Jude who lives a very different life to what our experiences are! To fully embrace the different Middle Eastern culture we took part in a traditional Syrian meal in class with olives, pitta breads, hummus and Syrian music. The children had a wonderful time and we are already seeing how this is inspiring their writing! In Art, our skyscraper models our already starting to take shape and we have the beginnings of a megacity starting to come to life. We look forward to finishing them next week! In Humanities, we have learnt all about the history of Baghdad as one of the first ever megacities in the world. Next week, we are going to be locating megacities in the UK as well as in South America!

Underwood Hall

Another week flies by in Underwood Hall ending last night with the Spring Term boarder taster evening when the boarders did their usual excellent job of being brilliant hosts. In terms of activities this week it has been pretty chilled. We have played Herding Cats, finished off watching *Pirates of the Caribbean*, written post cards for family and friends (which will be posted imminently) and plenty of borders enjoyed making their accessories for the NSPCC Number Day which was on Friday. I hope that you all enjoy your weekend. Pancake making to look forward to next week!

MCAS:

We have turned off the ability for families to transfer payments from their dinner balance on MCAS to pay for other items like trips etc. Unfortunately the finance team were unable to keep track of payments and therefore requested this be removed as an option. We appreciate your understanding in this matter.

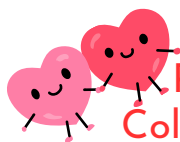

Friday 13th February - Premier Education Wraparound Care is now available for working families - bookings are open from 3:15pm - 6:00pm. There will be NO ECAs on this day

**WCPS
ATTENDANCE
THIS WEEK
95.8%**

There are lots of nasty viruses going round at the moment. We kindly ask that you do not send your child into school if they have a temperature or have had an episode/s of sickness and or diarrhoea until they are 48 hours clear.

Polite reminder to families that pupils must have earrings taped over or be able to remove and and put back in their earrings for PE. Staff are not permitted to remove earrings for pupils and this may result in your child being unable to participate.
