OPAL PLAYGROUND

Donate · Buy · Get Involved

We're collecting a range of items to help develop our OPAL playground and create even more opportunities for imaginative, active and creative play for every child.

Donate Items

Do you have any of the following at home or through work? Good quality, pre-loved items are perfect for OPAL!

- Crates & boxes
- Logs, sticks & wood
- Drain pipes & guttering
- Fabric, curtains & dress up
- Pots, pans & mud kitchen items
- Bikes, trikes & scooters
- Tyres & cable drums
- Old suitcases, radios & loose parts

Buy from our Wishlist

Prefer to purchase something new? Take a look at our Amazon Wishlist for key items we still need.

- Outdoor storage boxes
- Tarps (including clear tarps)
- Spades & trowels
- Crash mats & gym mats
- Traffic cones & barriers
- Mini diggers
- Space hoppers & hula hoops
- Den building equipment, tools & more!

Join the WhatsApp Group

Keep up to date on upcoming build days, volunteering opportunities and how you can get involved.

🎃🧡 A HUGE Thank You to Our Pumpkin Superstars! 🧡🎃

WOW! What an incredible display of creativity! 🤩

A massive thank you to everyone who took part in our Pumpkin Competition. We absolutely loved seeing everyone's amazing creations come to life, and the effort, imagination and talent on display were just fantastic! 🎨🎃

Thanks to all your wonderful contributions, we managed to raise £72 for the Friends of Wymondham College Prep! Every penny helps us continue doing lovely things for our children. 💛

🏆 A BIG congratulations to the winner of our Children's Competition! What a fantastic achievement!

As for our talented parents... the suspense continues! 👀🎃 Our judges are still deliberating, and we'll be announcing the Parent Competition winner in our next round-up!

Thank you again to everyone who got involved, whether you carved, painted, decorated or simply supported. It's wonderful to see our school community coming together and having a little fun along the way! 🧡

Week 6 Autumn Term 2026

Our week

Autumn has definitley arrived this week - partly helped by the amazing pumpkin display that appeared in the front of the school. A huge thank you to the Friends for organising the competition - the children loved it!

A huge thank you too to our new Class Reps who came together to meet on Monday to share things you wanted discussed. I'll get the minutes to you in the next few days. Also on Monday, our Year 6 Boy footballers took part in a competition at The Nest, modelling outstanding values, representing the school magnificently. They played brilliantly too.

It's been lovely to see the first children of the year celebrated in our first *Personal Growth Celebration* and wonderful to see lots of our new children who've joined us in Underwood Hall celebrated in front of their parents.

We welcomed the Wymondham Community Outreach Project into school on Thursday as part of our Harvest Festival. Thank you so much for sending in an item to give back to those less fortunate than us. It taught the children a valuable lesson in the importance of Service and to 'Contribute' and give back to the communities around us.

A team of Y6s ended the week presenting an amazing 'Black History Month' assembly yesterday, with some children sharing and celebrating their culture with us in whole school assembly.

I hope you all have a wonderful two week Half Term break after a busy and brilliant start to the academic year.

WCPS News Roundup

Week 6 Autumn Term 2026

Reception Rabbits & Robins

This week we have been learning all about Harvest. We enjoyed sharing the story 'Pumpkin Soup' and learning new vocabulary 'tasting', 'harvest' and 'measure'. The children explored pumpkins, discussed where our food comes from and took part in a range of harvest themed crafts and activities. We also enjoyed preparing for and taking part in our Harvest Assembly, singing our song 'Big Red Combine harvester'.

In phonics, we learnt the sounds h, b, f and l and our new tricky word 'the'. In Maths, we have been exploring and creating repeating patterns. In PSHE, we have been learning about our rights and responsibilities. We thought carefully about why we have rules in school. Have a wonderful half-term holiday!

Year 1 Otters & Seals

This week in maths we have been learning about subtraction. We have been using part whole models and have been taking away by crossing out. The children have been working hard to try lots of different ways to subtract. We have been doing our phonics assessments this week and have really impressed our teachers. It really shows how hard we have been working in Year 1. The assessment will be stuck into reading records. In English we have been working hard to write two sentences while focusing on our capital letters, finger spaces and full stops. We have been delighted to see Miss Sharp for a few days this week and we are excited to welcome her back properly soon! Well done Year for a fantastic first half term!

FLOREAT SAPIENTIA

Week 6 Autumn Term 2026

Year 2 Badgers & Foxes

What a fantastic half-term! The children have worked incredibly hard and should be very proud of all they have achieved. This week, we became town planners, explaining to Christopher Wren why London burnt so easily and how we could rebuild it more safely, using our knowledge of materials. We also had an amazing visit from **Wymondham Fire Service**, who helped us understand how much firefighting has developed. We learned that the modern fire service owes much to the legacy of the Great Fire of London nearly 400 years ago!

Year 3 Dragonflies & Bumblebees

Year 3 have enjoyed another busy and exciting week! In English, our work on The Incredible Book Eating Boy inspired us to write muddled-up sentences and create our own silly sentence books, full of funny ideas! Our DT lessons involved reading the feedback from our sandwich-making project and reflecting on what we might do differently next time. Maths proved challenging as we tackled adding and subtracting 1s, 10s and 100s, including crossing tens and hundreds boundaries, but everyone showed fantastic perseverance! Finally, in Geography, our land use topic inspired some brilliant persuasive posters encouraging people to reduce traffic on Golf Links Road.

WYMONDHAM COLLEGE PREP SCHOOL

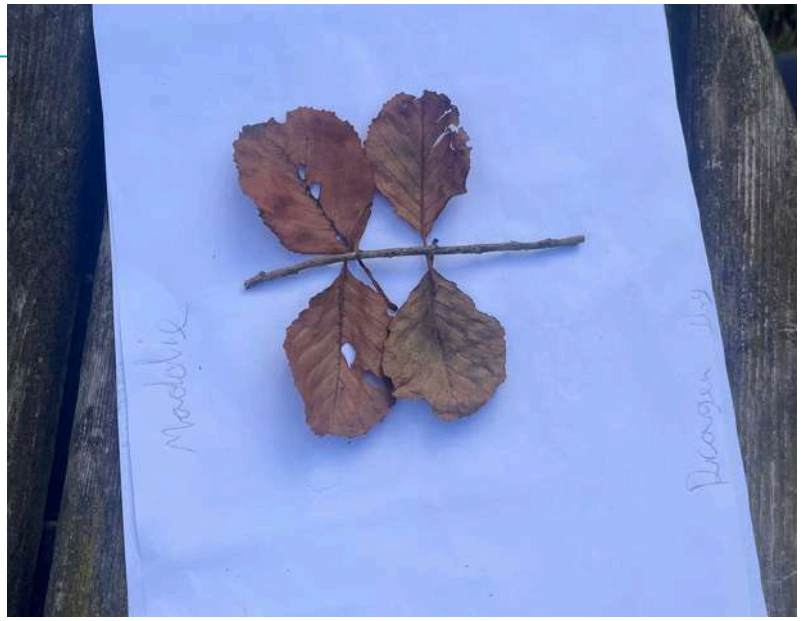

FLOREAT SAPIENTIA

WCPS News Roundup

Week 6 Autumn Term 2026

Year 4 Eagles & Owls

In Year 4, we took a trip to Hickling Broad, where we enjoyed lots of exciting nature activities. We became plant detectives, went on a nature walk, and created wild art using natural materials we found outdoors. In English, we have been learning about diary entries, as we will soon be writing about our trip. In Maths, we have been developing our addition and subtraction skills, and in Art, we have been illustrating scenes from The Jabberwocky using charcoal.

Year 5 Kings, Emperors & Royals

It has been such an enjoyable week in amongst our Year 5 penguin colony to carry us in to half term. We chose from our work on Rose Blanche and refugees for publishing and we have begun new learning in maths around multiples and factors. We had an awesome time towards the end of the week making towers in PSHE using only paper and masking tape and in science we made ice cream in an experiement to demonstrate changes in state. It was a bit messy but, as they did in the tower making activity, the pupils worked brilliantly in their teams. **Remember on Monday when we return we are off to Time-and-Tide!**

Week 6 Autumn Term 2026

Year 6 Lions, Tigers & Jaguars

We cannot believe our first half term as Year 6 has come to an end! We have been busy finishing our half term units of work this week, including our wonderful art identity projects which the children have worked really hard on. We hope you enjoy seeing them as they come home this week! In science, we continued investigating light and how opaque and translucent objects create different shadows. It was wonderful to hear such detailed scientific conclusions based on light. This week we have also completed our end of half term maths assessments to see the progress made after such a hard-working half term- the children should be so proud of their progress. We can't wait to share this at the upcoming PPTCs! Have a lovely half term everyone.

Heads of School

Hello everyone. Our names are Ayo and Bertie and we are very excited to share our first weekly article with you. We are grateful to have been selected as Head Of School for 2026 to 2027.So far the Year Sixes have done a lot of exciting stuff including lots of science experiments, author visit and our second independent write. We look forward to making this year a remarkable one. We look forward to writing about this amazing school every week. Thank you.

Week 6 Autumn Term 2026

Underwood Hall

Wow. It's half term already. As we wrap up a busy few weeks in Underwood, the house looks amazing. The boarders who were here at the weekend were busy decorating for Halloween and the Underwood 100 board has received something of a re-brand as we gain speed in ticking off as many of these 100 challenges as possible over the next few months. The week began with the boarders returning to High Lodge which is just down the road in the Thetford Forest for a bit of archery time - as you do on a Sunday afternoon! On Tuesday we organised a semi competitive marble run activity. Those who joined in made some truly amazing creations. Those not so keen chilled by doing some mindful colouring. On Wednesday boarders were in groups and set the challenge of using toilet tissue to dress one of their group as an Egyptian Mummy! After half term we will welcome two new boarders into Year 5. With all but three of our boarders new to the school and to boarding in September I would like to say how impressed we have all been wit the way in which you have settled in. You all thoroughly deserve a restful break. See you in a fortnight!

LOOK WHAT WE HAVE BEEN UP TO!

This month we havebeendelighted to introduce ournewEnrichingOffer Programme!

At the heart of the programme are our six exciting enrichment themes:

- 🔬 Curiosity Lab
- 💡 Innovation Academy
- 🎭 Creative Performers
- 🌍 Planet Protectors
- 🧠 Mind Masters
- 💼 Young Entrepreneurs

Every day, children have the opportunity to take part in a meaningful and engaging activity that supports their development, builds confidence and encourages them to explore new interests, while still providing families with the flexibility they need from wraparound care. Our aim is for children to have the opportunity to be creative, discover, experiment, perform and learn something new.

Some keen favourites from this month have been the Mystery of the Melting World, Potion Lab Scientists, Puppet show stars, Friction Fighters, Earth warriors and Friends first mission

Abbotts Dance Academy is currently offering free taster sessions for children interested in Street Dance, Acrobatics, Ballet and Modern/Commercial Jazz.

Children joining us this term will also have the opportunity to take part in our end-of-year stage performance, “The Magic of Michael”, celebrating the music and iconic moves of Michael Jackson.

Classes are available for children aged 2yrs and onwards at Wymondham Central Hall.

Booking and further information can be found here:

https://abbottsdance.com/the-magic-of-michael/

MINI-REBELS — AGES 4 TO 6

Mini-Rebels provides a fun and welcoming introduction to football for boys and girls in Reception and Year 1.

Sessions use age-appropriate games and activities to develop confidence, coordination, teamwork and children's first footballing skills.

Saturdays
8.45am–9.45am
Ketts Park 3G
First session free
Parents can register here:
https://join.teamfeepay.com/s/SLZF2HX2

REBELS ACADEMY — AGES 7 TO 12

Rebels Academy welcomes boys and girls of all abilities, including beginners, late bloomers, children waiting to join a team and existing players seeking additional weekly coaching.

Our coaches use structured, age-appropriate drills to help every child develop at their own pace, build confidence and work towards joining or forming a team when they are ready.

Tuesdays
4.30pm–5.30pm
Ketts Park
First session free
Parents can register here:
https://join.teamfeepay.com/s/32DTWP3P

Both programmes are open to children from Wymondham and all surrounding areas. A child does not need to be an existing WTUFC member or already play for a football team.
