Year Groups

Day Boarding at Wymondham College

Day Boarding is a provision made available to all current Day Students who attend Wymondham College. Our Day Boarders can join their House for breakfast before school begins, and stay well into the evening, enjoying all that makes our community, “a home away from home” [OFSTED 2023]. Day Boarders benefit from opportunities to work collaboratively on their prep with peers, older students and members of academic staff.

Our Boarding Houses are, “vibrant, exciting places to live and study”, and Day Boarders will be able to access both Wymondham Life 1 and Wymondham Life 2 activities alongside House activities and entertainment nights.

Dinner, supper and refreshments are provided and, where available, Day Boarders have access to a dormitory where they can get changed and store possessions.

Most importantly, our Day Boarders develop those character traits that will prepare them for adult life: developing a sense of independence, building their empathy and teamwork, strengthening their confidence and stoicism.

£1395.00 per term, minimum offer is for one term.

If you have any further questions, or to apply for a Day Boarding place please email admissions@wymcol.org
